## School Plan & Budget for the 2018–19 School Year

### School Mission Statement

The mission of Beacon Hill International School community is to educate students to be critical thinkers, problem solvers, and global citizens who are knowledgeable and curious about their natural and social worlds. It is our goal that Beacon Hill International School graduates are life-long learners and compassionate caring people who take action to make the world a better place for everyone.

### School Goals

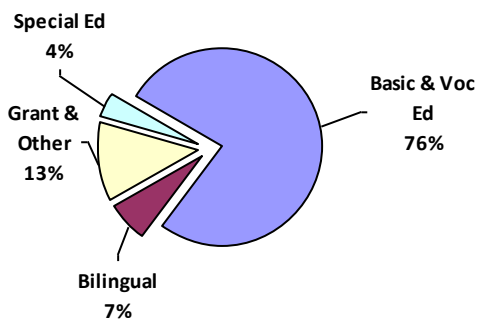

During the 2018-19 school year, strong leadership, through the actions of the Administrative Team, Building Leadership Team, Family Engagement Action Team, Safety Team and the Professional Learning Community Teams (PLC's), will result in an increase in student achievement scores of 10% or more as measured in Kindergarten by the WAKids assessment (Comparing Fall - Spring), grades 1-3 on the MAP reading and math assessments (Comparing Spring-Spring) and grades 3-5 on the Smarter Balanced Assessment(Comparing Spring to Spring).

### School Description & Plan to Achieve Goals

As a designated international school, we focus on academic achievement for all students grounded in 21st century skills, world languages (bilingualism and bi-literacy), the understanding of global perspectives, and the development of cultural and global competence. Beacon Hill International offers dual language programming in Spanish and Mandarin where students spend half their instructional day learning in either Spanish or Mandarin, and the other half of their instructional day learning in English. We also offer an all-day English program. Beacon Hill International School is a Title 1 school and receives federal dollars to support the learning of our students; we are also a City of Seattle Innovation School and receive city dollars to support a wide variety of academic and non-academic programming for students. Programming includes math intervention, extended learning opportunities in both math and literacy, and social/emotional support that is both school based and in partnership with community based organizations. To increase and differentiate math and literacy achievement, BHIS will provide multiple opportunities for teaching and reteaching mathematical and literacy concepts. Students who need additional time and reinforcement will have access to before and after school programs and will receive instruction in small groups and/or individualized instruction within the school day. Beacon Hill International teachers are highly qualified, skilled instructors.

### Annual Budget Report

2018–19 School Funding by Category

All financial data are from the 2018–19 recommended budget.

Total 2018–19 School Budget:  
**\$4,087,242**

Projected 2018–19 Student Enrollment:  
**401**

Per-Student Funding:  
**\$10,193**

### Invitation to Participate

One of the goals of having School Reports is to support families as critical partners with us in a student's academic success. To get involved, please share this with your friends and neighbors, visit the school, or consider talking to the teacher or principal about joining the school's Building Leadership Team or Parent Teacher Student Association to shape your school's improvement plan.

### District Mission Statement

Seattle Public Schools is committed to ensuring equitable access, closing the opportunity gaps and excellence in education for every student.
