School Plan & Budget for the 2018–19 School Year

School Mission Statement

Focus on Learning, Every Student, Every Adult, Every Day, Growth for All! Madison Middle School is a cooperative partnership of students, parents, staff, and community members who have a vision of our school as a challenging and fun place to learn. Our school will provide memorable learning experiences for all students so that they can grow to be successful students. We accept the challenges facing us today and dedicate ourselves, individually and together to the fulfillment of the our vision and mission.

School Goals

A Sub Group of African American male students (22) will receive a C plus grade or higher in their core academic courses of Language Arts, Math, and Science by June of 2019. All Madison Students will increase their performance level by 5% or more on the 2019 SBA when compared to their 2018 SBA results. 78% or more of the Madison 8th grade class will meet standards on the 2019 ELA assessment on the SBA. 50% or more of the African American 8th grade students will meet standards on the 2019 ELA assessment on the SBA. All Madison students will increase their performance level by 5% or more on the 2019 SBA when compared to their 2018 SBA results. Madison Middle School will provide professional development for staff who will be teaching students in the Highly Capable as well as Spectrum programs at Madison Middle School. Madison staff will also receive professional development on restorative justice practices with students in the classroom.

School Description & Plan to Achieve Goals

Madison Middle School is a cooperative partnership of students, parents, staff and community members who have a vision of our school as a challenging and fun place to learn. Madison is a four time winner of the School of Distinction Learning Improvement Award for Washington State. We, at Madison value the development of the whole child; their academic, social and emotional well-being. Language Arts and Social Studies will continue to develop units of study aligned to the SPS Scope and Sequence, teaching lessons that are culturally responsive, differentiated, and based on best practices. Language Arts and Social Studies teachers will use school-wide assessments and teacher-designed, calibrated common assessments to inform instruction. Students not meeting standard will be evaluated for the Read 180 intervention class. Math teachers will use best practices to improve math discourse among our students. Teachers will collaborate to collectively identify effective strategies to increase student engagement. Some students who are identified as needing additional support will be given a second math class to provide extra instruction. Madison will provide on-going professional development and training for staff who teach HCC and Spectrum.
