School Plan & Budget for the 2018–19 School Year

School Mission Statement

To create and maintain a safe environment that ensures each student reaches a high level of academic growth and achievement as determined by common core standards. We commit to a comprehensive system of support where all students, families and staff have many and varied opportunities to collaborate, teach and learn to fulfill their potential.

School Goals

By June 2019, 51% of fourth graders at Van Asselt will read proficiently at grade level as measured by the Smarter Balanced Assessment (Level 3).

By May of 2019, 75% of staff will feel positive about working at Van Asselt as measured by the Climate Survey.

By June 2019, 14% or fewer students of our students identifying as Black will receive disciplinary referrals, a decrease from our current ratio of 36% receiving referrals.

School Description & Plan to Achieve Goals

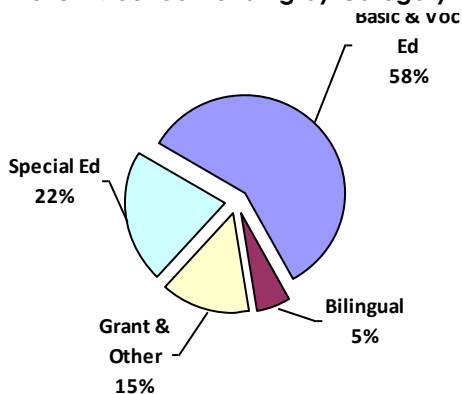

Van Asselt provides the Center for the Collaborative Classroom's Collaborative Literacy Curriculum. This curriculum focuses on meaningful group discussion to make meaning and connections for students in reading and writing. For math, Van Asselt uses the Math In Focus curriculum along with supplemental curricula aligned to Common Core State standards. Science instruction is delivered from the District and is aligned with the Next Generation Science Standards. Students also receive District required electives in art/theater, music, and physical education. In addition to academics, our school uses the RULER Social Emotional Learning Approach program and uses trauma informed practices.

In addition, we provide:

- Special Education/English Language Development co-teaching models
- English language development/special education supports for identified students
- Culturally responsive teaching to support student success
- Home-to-school and school-to-home connections
- Differentiated/modified instruction based on individual student needs
- Knowing/recognizing whole child through intentional relationship-building
- Social Emotional Learning (SEL) - including behavioral supports from school counselor and Success Coach
- School wide expectations and intrinsic motivation focused Positive Behavior Intervention System
- Attendance campaigns and initiatives

Total 2018–19 School Budget:

\$5,564,471

Projected 2018–19 Student Enrollment:

403

Per-Student Funding:

\$13,808

Invitation to Participate

One of the goals of having School Reports is to support families as critical partners with us in a student's academic success. To get involved, please share this with your friends and neighbors, visit the school, or consider talking to the teacher or principal about joining the school's Building Leadership Team or Parent Teacher Student Association to shape your school's improvement plan.

District Mission Statement

Seattle Public Schools is committed to ensuring equitable access, closing the opportunity gaps and excellence in education for every student.
