BTA & BEX Resolution No. 2018/19-3, Signatures of Authorized District Personnel for State Aid Programs

2. PURPOSE

Per WAC 392-344-120, Seattle Public Schools must provide the Office of Superintendent of Public Instruction with the certified signature(s) of district personnel, authorized by Board resolution, for use on State funding items that require district authorization. This resolution does not change current or future District procedures or authorization requirements.

3. RECOMMENDED MOTION

I move that the School Board adopt Resolution No. 2018/19-3 authorizing Denise Juneau, Superintendent; Stephen Nielsen, Deputy Superintendent; Dr. Lester Herndon, Associate Superintendent of Facilities and Operations; and Richard Best, Director of Capital Projects and Planning, to sign state funding assistance documents per WAC 392-344-120.

4. BACKGROUND INFORMATION

a. Background

The State of Washington - Office of Superintendent of Public Instruction (OSPI) requires that various forms be submitted in order for the district to apply for State financial assistance. Once the State has approved a project for funding, numerous forms must be submitted in order for the district to receive money. In order for district staff to sign these applications and forms in accordance with WAC 392-344-120, a resolution designating selected staff as authorized representatives is required.

OSPI, through the School Construction Assistance Program (SCAP), provides funding assistance to school districts that are undertaking major new construction or modernization projects. The primary documents that form the basis of any agreement between OSPI and the District are the "D-form" documents. These documents, when properly completed and signed by all parties, form the official notices of agreement and intent on behalf of the district and OSPI.

b. Alternatives

There is no alternative for this action. The district is required by the State to have signature on file to receive school funding from the State.
