The Board recognizes that schools are responsible for providing first aid or emergency treatment in case of injury or illness of a student. To that end, the Board encourages staff to become certified in first aid. Further medical attention in non-emergency cases is the responsibility of the parent or guardian. Schools will notify the parent or guardian of students who suffer injuries, illness, or physical trauma at school or at any school-sponsored activity as soon as practicable.

The Superintendent or his/her designee is authorized to develop procedures in order to implement this policy.
