

## **Seattle Public Schools Science Instructional Materials 9-12 Adoption Committee Meeting**

November 15, 2018, 5:00pm-8:00pm

John Stanford Center for Educational Excellence Room 2750

### **Committee Members in attendance:**

*Adoption Coordinator:* MaryMargaret Welch; *Curriculum Specialist:* Brad Shigenaka; *9-12 Committee:* Nahom Alemayehu, Nina Arens, Judy Bridges, Aiden Buchanan, Kristen Dang, Lura Ercolano, Jen Fox, Monica Fujii, Christine Helkey, Yolanda Jones, Greg Kowalke, Laura McGinty, Ruth Medsker, Maureen Munn, Rebecca Neil, Jessica Thompson, Autumn Tocchi, Brian Vance, John Wietfeldt

**Meeting commenced:** The Adoption Coordinator reviewed the agenda and goals for the meeting.

**Review Criteria Discussion:** The Adoption Coordinator reviewed the goals for the meeting: members will be looking over the Review Criteria, based on the version created by the K-8 Adoption Committee, with the intent to build understanding of each category, assess the relevance of the current group of criteria as they apply to high school, and to build understanding to be able to make an informed decision about category weighting. Committee members had previously reviewed the Review Criteria to submit wording and edits to the criteria. Changes adopted were reviewed by the whole group.

Time was provided for each table to review each of the five categories within the Review Criteria. The Adoption Coordinator and Curriculum Specialist circulated the room to answer questions and to collect feedback and suggested changes.

**Meeting Adjourned:** Members concluded work for the day by completing an exit survey.
