Seattle Public Schools and El Centro de la Raza to Hold Workshop for Immigrants and Families
Information and support session Nov. 4

SEATTLE – Seattle Public Schools (SPS) is partnering with El Centro de la Raza to host a workshop to provide information and support for families and immigrants in SPS schools.

The workshop – called “Know Your Rights” – is free and open to anyone seeking information and support.

Date: Monday, Nov. 4, 2019

Time: 7 p.m.

Location: El Centro de la Raza (historic building), 2524 16th Ave. S., Seattle, WA 98144, Room 307

SPS will be joined by partners around the community to educate workshop attendees on the protections SPS provides to immigrant students at school, and to also provide information and resources for families.

SPS is committed to its immigrant students and families. The district has developed strong policy to guide staff if immigration officials request student records or enter a school to conduct an enforcement action.

The school district also recently enhanced its policy, providing further protection for students and strengthening the district’s stance against immigration enforcement in SPS schools. Read more about Superintendent Procedure 4310SP.
Learn what your rights are in relation to ICE and law enforcement and what you can do to protect you and your family. Learn how to be proactive and empower yourself and others. Please join us this event for a night of education and community-building.
