

## Advanced Placement (AP) Courses at Seattle Public Schools 2018-2019

The Advanced Placement program is a College Board program, allowing students to access college level curriculum, which assists students in their preparation for their college or university coursework. Students who take AP exams, which are administered annually in May, can earn college credit, depending on their score and the college they plan to attend.

To learn more about how students benefit from taking Advanced Placement courses, talk with your high school counselor or read more here - <https://apstudent.collegeboard.org/exploreap>

A variety of Advanced Placement Courses are offered at 10 comprehensive high schools\* at SPS. **Below is a list of the 2018-2019 AP Courses** offered at the following high schools. AP Course offerings change annually based on staffing and enrollment.

\* **Note:** Lincoln High School opens in 2019-20. Please contact the school regarding AP course offerings for 2019-2020.

\*\***Note:** Chief Sealth & Ingraham HS are International Baccalaureate schools, so they offer fewer AP Courses. Rainier Beach HS is also an International Baccalaureate school and does not offer AP courses.

### Advanced Placement Course – Exam Registration

Seattle Public School students who wish to take AP exams at their high school must register to take the exam(s) by the deadline date set by their high school, which will range between February 22<sup>nd</sup> and March 8<sup>th</sup> 2019.

The fee to take an AP Exam for 2019 is \$102 per exam.

Please contact your high school's AP Coordinator (listed below) if you have questions about AP Testing or Registration.

### AP Exam Fee Reductions

AP Exam Fee Reductions are available for students that are eligible. If you believe that you qualify for an AP Exam Fee Reduction and/or Free & Reduced Lunch (FRL) and have not completed an FRL form, please click the link and complete the [SPS confidential FRL form](#) online. On the application, there is a section if you would like to share your child's free or reduced price meal status. Please mark the Advanced Placement Tests box if you would like staff to be notified if you qualify for free or reduced AP Exam fees. Students can also get a hard copy of the form through their school counselor or AP Testing Coordinator.

### Non-SPS Students

If students live in the Seattle Public Schools (SPS) Attendance Area, but do not attend an SPS high school and would like to register to take an AP Exam, students and families should contact the high school AP Coordinator nearest you.

**Note:** The larger SPS high schools are typically unable to provide AP Exam testing to non-SPS students due to capacity issues that already exist in their school. Non-SPS students may be referred to another school that may be able to provide the exam. For questions about AP Testing for Non-SPS Students, please contact the [Advanced Learning Department](#) using the [Contact Us](#) form.
