2019-2022
COLLECTIVE BARGAINING AGREEMENT
between
SEATTLE SCHOOL DISTRICT NO. 1
and
PACIFIC NORTHWEST REGIONAL COUNCIL OF CARPENTERS

ARTICLE I: RECOGNITION

- A. The Seattle School District No. 1, hereafter referred to as the District, recognizes the Pacific Northwest Regional Council of Carpenters hereafter referred to as the Union, to be the sole and exclusive bargaining agent of all Carpenter employees who are employed in classifications listed in Appendix A of this Agreement.
- B. In the event the District creates a new job classification for work covered by this Agreement, it will notify the Union who will have the opportunity to negotiate with the District over all mandatory subjects of bargaining. If there is a dispute as to whether the classification is covered by this Agreement, the matter shall be referred to the Washington State Public Employment Relations Commission Mediation Services for adjudication.
- C. The District and the Union recognize that it is in their best interest to develop good on-going working relationships, a collaborative problem-solving mechanism and a collaborative way to deal with problems as they arise. Therefore, the parties agree to meet and discuss subjects of respective and/or mutual interest. All or any subjects of discussion shall be deemed of interest worthy of pursuit.

ARTICLE II: AFFIRMATIVE ACTION/NON-DISCRIMINATION

- A. The District and the Union agree that they will not discriminate against any employee by reason of race, creed, age, color, gender, national origin, ancestry, economic status, pregnancy, physical appearance, religious belief, marital status, gender identity, sexual orientation, or mental, physical or sensory disability.
- B. The Union agrees with and supports the concept of Affirmative Action. Therefore, the parties mutually agree to use their best efforts to ensure that this Agreement will not be in conflict with, or inconsistent with Title VII, Title IX of the Civil Rights Act of 1964 and/or Washington State Statutes.

ARTICLE III: MANAGEMENT RIGHTS

The Union recognizes the District's inherent and traditional right to manage its business and operations. Accordingly, except to the extent specifically covered and controlled by the express terms of this Agreement, the Union recognizes the right of the District to hire, transfer, promote, demote, assign and retain employees and to discipline, suspend or discharge employees for just cause and to maintain the discipline and efficiency of its employees; the right to lay off; the right to establish, change and direct the methods and processes of doing work, to introduce new and improved work methods or equipment and to assign work to outside contractors; the right to determine the starting and quitting times and the number of hours to be worked; and the right to make and amend such reasonable rules and regulations as it may deem necessary for the conduct of its business and to require their observance. Except for emergency situations or matters involving safety, changes or additions to work rules promulgated by the Maintenance Manager will be distributed to affected employees at least twenty-four (24) hours before they become effective.

A. Subcontracting

The District shall retain its right to sub-contract work. However, the District shall not sub-contract work

covered by the classifications included in this agreement if the Core Group of Carpenter employees are less than 8. The Carpenter Core Group shall be 8 employees. After the adoption by the School District of the annual budget, the District shall meet annually with the Union. The District shall inform the Union of the number of Core Group employee positions that it will have for the following school year before the start of that school year as long as the School District Board of Directors has adopted the District budget for the ensuing school year. This is not a guarantee of employment, but rather it is a commitment to limit the use of outside contractors to times when the Core Group of employees are working. As an exception to the foregoing commitment not to subcontract unless all of the Core Group of employees are working, the District may still subcontract if any of the following conditions occur:

1. The required services are uncommon to District employees because they are special, highly technical, peculiar or unique in character.
2. The required services involve the use of equipment or materials not possessed by the District at the time and place required.
3. When the services of a contractor are necessary for health and safety reasons.

There shall be no restriction on subcontracting any work at any time under any conditions which is above the bid threshold established by law or under any circumstance where the District is required to comply with applicable law.

B. Small Works Process and Procedures

1. All projects, at or below the self-performance threshold established by law and District policy 75K in combined labor and material estimated costs ("Small Works") will be presented to the Management for consideration of accomplishment by the Maintenance Section. If the project is work that can be accomplished without special tools or equipment, the Maintenance Section needs to rent or purchase and the current staff has the ability to complete the task or the Maintenance Section can hire itinerant staff with the requestor's timeline and without expected overtime, the Maintenance Section will have the first right of refusal. Management will advise the requestor within twenty-four (24) hours whether the project can be done as presented or if additional information is needed to consider the project for completion. Upon presentation of the additional information this time period may be extended two (2) weeks. The proposed project must be specified to a point that it is possible to estimate resources and time necessary for completion of the project. Management will discuss any project that he or she is considering rejecting with the Unit Foreperson before making a decision to pass over a project. Management reserves the right to retain Carpenters bargaining unit work to be performed by bargaining unit personnel when necessary for scheduling and/or cost efficiencies.
2. The contractor must provide proof of Bid bond if over 35K, Current/valid Contractors License, UBI#, department of Revenue Proof, City of Seattle Business License.
3. The Contractor must meet the District's and Labor and Industries requirement regarding prevailing wages. The contractor's employees shall be fingerprinted and submit to a background check when they are providing services at a public school where there may be contact with children.
4. The District will add the following informational statement on the District's Small Works web page, together with a link to the Pacific Northwest Regional Council of Carpenters' Apprenticeship Website:

Seattle Public Schools supports skilled craft and trade Apprenticeship Programs as part of the continuum of education for our students. We encourage Small Works contractors to actively participate in Apprenticeship Training programs with our Labor partners.

For more information on the Pacific NW Regional Council of Carpenters Apprenticeship Program, go to: nwcarpenter.org or ctww.org.

ARTICLE IV: MAINTENANCE OF MEMBERSHIP

- A. **Membership Rights:** All employees working in the bargaining unit shall have the right to become a union member upon hire. The District, including supervisors and managers, agrees to direct all questions and communications from unit employees regarding union membership directly to the Union.
- B. **Notice to Union:** The District shall advise the Council and applicable Union of the names, work email address, job classification, FTE status and work location, of new District employees covered by this Agreement within seven (7) calendar days following the date of employment, if the employee is hired outside of the union referral process.
- C. **New Employee Orientation, Union Presentation:** Employees hired outside of the union referral process, not less than five (5) working days before a new employee orientation, the District shall forward to the Union a list of names of those bargaining unit employees who shall be attending. The District shall also provide at least thirty (30) minutes for new hires into the bargaining unit to meet with the Union's designated representative during the employee's normally scheduled new hire orientation with the District.
- D. **Automatic Payroll Deduction:** Upon receipt of written authorization individually signed by the employee, the District will deduct from the pay of such employee the amount of dues and initiation fees as certified by the Union. The District shall transmit such fees to the Union once each month on behalf of the members involved.
- E. **Dues Deduction Cancellation:** An employee may cancel their payroll deduction of dues and fees by written notice to the Union and to the District, with the District stopping deductions following written confirmation from the Union that the employee dues/fees authorization has been terminated in compliance with the terms of the written authorization executed by the employee. The District will make every effort to end the automatic dues deduction effective on the first pay period but no later than the second pay period after receipt of the written cancellation notice.
- F. **Hold Harmless:** The Union will indemnify, defend and hold the District harmless against any claims made, and against any suit instituted against the District on account of any check-off of dues. The Union agrees to refund to the District any amounts paid to it in error on account of the check-off provisions upon presentation of proper evidence thereof.
- G. **Public Records Request:** When the District receives a public records request that is specific to an employee's personnel records, the District will inform the employee of the request. When the District receives a public records request pertaining to the bargaining unit and/or Union membership as a whole, the District shall notify the Union as soon as possible after the District's Labor and Employee Relations department receives notification of the request.

ARTICLE V: REPRESENTATION

- A. The Union Representative may appoint a Steward among the employees that the Union represents under this Agreement. The Union shall provide the Maintenance Manager with the name of its Steward. A Steward shall not be discriminated against for making a complaint or giving evidence with respect to an alleged violation of any provision of this Agreement, but under no circumstances shall a Steward interfere with orders of the District or change working conditions.
- B. The Union and the District agree to attend monthly Labor Management Committee meetings. The Labor Management Committee shall continue efforts to discourage and prevent harassing, abusive and/or disruptive behavior at work.

ARTICLE VI: DEFINITIONS

- A. **Employees:** For the purpose of this Agreement "Employee" shall mean a person employed by the District in one of the classifications listed in Appendix A.

B. Regular Employees:

1. Employees who are actively on the payroll and normally assigned to work twelve (12) months per year, forty (40) hours per week and eight (8) hours per day.
2. A regular employee may be so designated at the time of hire or will become a regular employee upon successfully completing five (5) months of employment in any consecutive twelve (12) month period with a minimum of seventy (70) hours of regular time in each of those months. Upon becoming a regular employee such employee shall be awarded seniority rights retroactive to their original date of hire as a temporary employee. Such employee shall serve a probationary period as outlined in Article XIII-A.
3. Any employee hired as a regular employee who is laid off prior to completing the five (5) months/seventy (70) hours condition shall be granted health and welfare benefits as though such employee had initially been employed as described in Article IV-C.
4. Annual Leave and Sick/Emergency Leave rights shall be granted retroactive to the first date of the qualifying period for any/all employees achieving regular employee status.

C. Temporary Employees: A temporary employee shall be hired on a short-term basis and shall only accrue health and welfare benefits as described in Article XVI-B (Group Insurance). All temporary employees hired by the District shall be paid an hourly rate as shown in Appendix A. Such temporary employees shall not acquire seniority and shall be subject to termination at any time without recourse to the grievance procedure.

D. Apprentice Employees: Apprentices are those workers who are registered with the State of Washington according to RCW 49.04 and are participating in a State approved training program administered by a joint labor-management committee.

ARTICLE VII: HOURS AND OVERTIME

A. General Expectations: The ability to work regularly is a requirement of continued employment. Employees must report all absences to his or her supervisor before the beginning of the employee's scheduled shift except in the case of an emergency.

B. Normal Work Schedule: For regular employees, the normal work schedule Monday-Friday, will be forty (40) hours per week, eight (8) hours per day between the hours of 6:00 a.m. and 6:00 p.m., excluding a one-half (1/2) hour lunch period five (5) days per week. This shall not be construed as being a guarantee by the District of any particular number of hours.

C. Overtime:

1. When an employee is compensated in excess of eight (8) hours per day or in excess of forty (40) hours per week, the employee shall be compensated for the overtime at the rate of one and one-half (1-1/2) times his/her regular rate of pay.
2. Work performed on Sundays and holidays shall be compensated at double time the employee's regular rate of pay.
3. No pyramiding of overtime shall be allowed.
4. All overtime must be authorized, in advance, by Management or the management-designated supervisor. The appropriate craft and personnel will be dispatched.
5. The Foreperson may assign mandatory overtime.
6. When an employee is called back to work, all such call back time shall be paid at the overtime rate.

To provide flexibility and encourage employees to be as safe as possible, there are options:

- a. The employee's next regular shift is adjusted so that the employee works his/her shift beginning from the end of the call back time.
- b. The employee's next regular shift is adjusted so that the employee has an eight (8) hour break between the end of call back time and the beginning of the next shift.
- c. The District can authorize a rest period for the employee on paid time during the employee's next regular shift.

7. Employees on paid leave status do not qualify for overtime pay.

D. Special Premium Pay:

A premium of two dollars and fifty cents (\$2.50) shall be paid to employees who work a second shift (after 11:00 am) except for employees working on an overtime basis as an extension of their regular day shift. Employees assigned to work second shift will continue to receive the second shift two dollar and fifty cents (\$2.50) premium for temporary day shift assignments of two (2) weeks or less. Employees who are assigned a Monday through Friday shift shall receive time and one-half (1-1/2) for all Saturday work, unless the employee was in leave-without-pay status during that week.

E. Refusal of Assignment Outside Regular Hours: In assigning work for swing shift, the employer will first ask for volunteers. Employees interested in volunteering must submit their desire to volunteer in writing to their direct supervisor. Employees may submit their interest at any time of the year. This request may be amended or withdrawn at any time, however any changes to the voluntary list shall be effective ten (10) working days after the written request is submitted.

If enough people do not volunteer, the employer will assign people in inverse seniority order. If a significant hardship is created by assigning an employee to swing shift, the employer will review and verify the circumstances with the Union, and where appropriate, the employer will pass over this employee and assign the next least senior employee.

If there are more volunteers than available for swing shift positions for a particular craft, those volunteers with the most seniority within the craft and with the required skill within the craft shall be assigned to the available positions except in situations where the more senior volunteer within the craft has a skill/expertise and/or performs a special function as part of his/her regular duties for which the District determines it will retain that employee on other than the swing shift.

F. Call Back: Any employee who is required to return to work after the end of his/her regular shift shall be paid a minimum of four (4) hours pay at his/her appropriate rate.

G. In situations where the employee does not have to return to work (works on-line) the employee will be compensated for time worked at one and one-half (1½) times the individual employee's hourly rate of pay for regular shift; time will be rounded up to the nearest 15 minutes, with a 30 minute minimum. If called back by management while on approved vacation or personal leave time the work time will be paid at double the regular rate of pay.

H. Show Up Pay: Any employee called to work shall be paid a minimum of two (2) hours at appropriate rate of pay.

I. Lunch Period: The District shall establish a regular non-paid lunch period for each employee. In the event an employee is required to perform work beyond five (5) hours without lunch the employee shall receive one-half (1/2) hour penalty pay at the applicable overtime rate and shall also receive time to eat.

J. Four Ten Hour Day Shifts (4-10's):

1. Four Ten Hour Shifts (4-10's) may be scheduled, so long as the District provides at least seven (7)

days advance notice. Prior to termination of the four-ten hour shift schedule, the District shall provide at least seven (7) calendar days advance notice. Management reserves the right to decline 4-10 shifts for positions required to work a traditional five (5) day/8 hour day schedule due to coverage and/or operational needs.

2. The following conditions shall apply specifically to the four-ten hour shifts:
 - a. Overtime shall be paid after ten (10) hours in a day or forty (40) in one week.
 - b. Holidays: During a holiday week, the employees shall revert to an eight (8) hour day. Holiday pay shall be paid at eight (8) hours per day.
 - c. Leave Accruals: Employees who are working four-ten hour shifts (4X10's) shall earn (accrue) the same number of total annual hours for annual leave, sick leave, holiday pay, personal leave, and bereavement leave. Example: an employee working five (5) days per week and who has two (2) years service earns eighty (80) hours of annual leave. If that employee goes to work on a 4X10 schedule, he/she shall earn (accrue) eighty (80) hours of annual leave. Employees shall not earn (accrue) more leave or less leave than if they were on an eight (8) hour day schedule.
 - d. Taking Leave: Employees who work ten (10) hour days shall be paid and be charged ten (10) hours per day for sick leave, personal leave, annual leave, and bereavement leave. Employees shall not earn more leave or less leave than if they were on an eight (8) hour day schedule.
3. If enough volunteers cannot be found to work this 4-10 schedule, employees shall be assigned by reverse seniority within each craft and skill within a craft.

If there are more volunteers than available 4-10's position for a particular craft, those volunteers with the most seniority within the craft and with the required skill within the craft shall be assigned to the available positions except in situations where the more senior volunteer within the craft has a skill/expertise and/or performs a special function as part of his/her regular duties for which the District determines it will retain that employee on other than the 4-10's shift.

- K. **Shift Change:** The District shall give four (4) working days' written notice prior to changing any and all shifts. At the District's discretion, employee requests to adjust their start time may be granted with one (1) day's notice.

ARTICLE VIII: HOLIDAYS

- A. The following are paid holidays for all regular employees regardless of the day of the week on which they fall:

Labor Day	New Years Eve
Veterans' Day	New Year's Day
Thanksgiving Day	Martin Luther King Day
Day after Thanksgiving	Presidents' Day
Christmas Eve	Memorial Day
Christmas Day	Independence Day
Day after Christmas	
- B. The District shall pay each regular employee at his/her straight-time hourly base rate not to exceed eight (8) hours for each of the above designated holidays when not worked. In order to qualify for holiday pay, an employee must have worked his/her last scheduled workday before and his/her first scheduled workday after the holiday. Exception will be made in cases where absence on the workday prior to or the workday following was due to annual leave, injury, bona fide illness covered by a doctor's certificate, or temporary layoff of less than thirty (30) days.
- C. The actual days observed shall be as designated on the calendar adopted by the School Board.

ARTICLE IX: LEAVES

A. Annual Leave:

1. Each year, regular employees, upon their employment anniversary dates, shall be entitled to paid Annual Leave corresponding to the following schedule:

Years of Service	Annual Leave

5-14 Years	18 Days or 144 Hours
15-18 Years	23 Days or 184 Hours
19+ Years	28 Days or 224 Hours

2. Such Annual Leave entitlement shall be prorated where unpaid absences exceed thirty (30) days in the twelve (12) months preceding the anniversary date.
3. Current employees shall be credited with Annual Leave based on their length of service.
4. No Annual Leave can be taken before earned.
5. Annual Leave days to a limit of thirty (30) may be cashed out at time of termination. No employee or his/her estate shall receive reimbursement for more than thirty (30) Annual Leave days at time of termination. Any balance over thirty (30) days may be applied to scheduled Annual Leave prior to termination.
6. The scheduling of Annual Leave days shall be at the discretion of management, and the employee, based upon operational need.
 - a. In establishing vacation schedules, each craft must retain enough staff to cover anticipated operational needs.
 - b. Vacation Request Process
 - i. An employee's annual leave request should be provided to management in writing thirty (30) days in advance of the leave. Annual leave requests that are submitted less than thirty (30) days in advance may not be granted, and annual leave will not be granted if the employee has an insufficient leave balance. Vacation conflicts will initially be worked out between employees. It may not be possible to grant all employees the annual leave they would prefer. If an agreement cannot be reached, information will be reviewed by management to determine the schedule. Management will respond to the employees' leave request in three (3) working days.
 - ii. Approval for short-notice, incidental leave of less than 1 day up to 3 days will be pre-authorized by the supervising foreperson and notice of leave must be submitted to management timely. Incidental leave will not be unreasonably withheld.
7. Maximum accumulation is limited to 240 hours. Employees must eliminate accumulated leave in excess of 240 hours each fiscal year (September-August). Such employees will be required to submit a plan for approval by their supervisor for eliminating excess leave by this deadline. Any unused leave in excess of 240 hours each fiscal year (September-August) will be reclaimed by the District.

B. Sick Leave:

1. Each regular employee shall earn Sick Leave equivalent to one (1) day for each calendar month of service or major fraction thereof to be used for absences caused by non-occupational illness, non-occupational injury, medical disability (including childbearing), poor health, or child care to the extent required by law. Use of such leave shall be set forth in Items a and b below. In the event there is an

emergency caused by family illness, where no reasonable alternative is available to the employee, Sick Leave may be used subject to the conditions set forth for Personal Leave (Article IX, C).

- a. Use of Sick Leave shall be reported to the employee's supervisor prior to the start of the work shift and will become effective upon the first day of absence.
 - b. A physician's certificate or other verification of illness or injury may be required for approval of Sick Leave beyond three (3) consecutive days.
2. Accumulation: Employees shall be allowed to accumulate up to one hundred eighty (180) days of Sick Leave or as may be amended by State law.
 3. Sick Leave Buy Back Program:
 - a. At the time of separation from District employment, an eligible employee or the employee's estate shall be entitled, upon written request to Human Resources, to compensation for all unused Sick Leave up to the one-thousand four-hundred forty (1,440) hour maximum at the ratio of 4:1 at his/her straight time hourly rate. Alternatively, if/when the District offers VEBA III or other qualifying program, the District will discuss such programs with the Union.
 - b. On or about January 15 of each year, employees may elect to be compensated at the ratio of a rate equal to one (1) day's monetary compensation of the employee for each four (4) full days of accrued Sick Leave in excess of sixty (60) days which was earned but unused during the previous calendar year.

C. Personal Leave:

1. Two (2) days [one (1) day if hired on or after March 1] of Personal Leave shall be available per fiscal year (September 1 through August 31) to regular employees for hardships or other pressing needs and will be granted in situations which require absence during working hours for purposes of transacting or attending to personal or legal business or family matters. Such days shall not accumulate from year to year.
2. The conditions for granting Personal Leave are as follows:
 - a. The situation must have been suddenly precipitated and must be of such nature that pre-planning was not possible, or such that pre-planning could not have eliminated the need for the leave; and,
 - b. The situation must be one which is serious and unavoidable and of major importance, not one of mere convenience.

D. Bereavement Leave:

1. In cases of death in the immediate family the employee will be allowed up to three (3) days Bereavement Leave. In cases where emergency factors or long distances (200 miles or more from the employee's home) are involved, the employee may request up to two (2) additional days leave.
 - a. Requests for bereavement leave beyond three (3) days must be pre-approved by Facilities Management.
 - b. For the purpose of Bereavement Leave, immediate family is defined to include mother, father, step-parent, sister, brother, husband, wife, domestic partner, son, daughter, son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandchild, grandparent, aunt, uncle, or anyone who is living with, or considered part of, the family.
2. Bereavement Leave will be granted only for days immediately following the death and days directly linked to a formal observance of the death (e.g., a funeral or memorial service).

3. The employee requesting Bereavement Leave may be required to provide verification.

E. Jury Duty and Court Appearances:

1. Employees may serve as jurors in accordance with State and Federal laws.
2. Requests for Jury Duty for the necessary temporary leave shall be made in writing to the employee's foreperson, who shall submit it to the Maintenance Manager for approval.
3. Employees who serve as jurors during the work year shall receive full pay.
4. When an employee is subpoenaed to appear as a witness in a court proceeding during a normal work day on the District's behalf or as a witness in a proceeding in which the employee has no personal interest, the employee shall receive his/her regular pay for the day, provided that a copy of the subpoena is provided to the District. This provision does not apply where the employee's appearance is adversarial to District interests.

F. Unpaid Leave:

The District does not grant unpaid leaves of absence or voluntary days off without pay except in unusual circumstances. Requests must be submitted in writing to the department manager and be approved before any leave of absence begins.

G. Shared Leave:

The District agrees to maintain a leave sharing plan that conforms to the law.

H. Military Leave:

An employee called into military service shall not lose any seniority to which entitled under the law.

1. "Military Service" as defined by USERRA, means the performance of duty on a voluntary or involuntary basis in a uniformed service, including but not limited to: active duty, active duty training, initial active duty for training and inactive duty training, full-time National Guard duty, absence from work for examinations to determine a person's fitness for any of the above types of military duty; funeral honors duty and duty performed as disaster response.
2. Employees called into military service will be granted paid military leave as provided by state and/or federal law. Paid military leave is not to exceed twenty-one (21) days in any federal fiscal year (October 1 through September 30).
3. When military service exceeds twenty-one (21) days in any federal fiscal year, an employee will be on unpaid military leave. An employee on unpaid military leave may elect to use accrued annual leave, compensatory time and/or leave without pay (LWOP).

I. Family and Medical Leave Act (FMLA):

The District will comply with current Federal and State statutes.

- J. Peak Workload Availability Incentive:** In order to maximize the availability of all employees during the period that schools are most accessible, a five hundred and forty-seven dollars and six cents (\$547.06) peak workload availability incentive will be paid to all regular employees who do not use any leave during the period of August 1 through September 10. Starting in the school year immediately proceeding the ratification of this Agreement, the incentive will be increased by the state funded and authorized inflationary adjustment that year. The incentive will be on the eligible employees' October paycheck following the incentive period each year. To be eligible to receive this incentive, an employee must be employed with the District and be a regular status or full-time temporary employee prior to July 1 of the incentive period.
