

Greetings HC/RESA committee members and alternates!

We will soon be together again, March 4th from 4-7 pm at the John Stanford Center for Educational Excellence. The room number is 2700.

I want to share our expected Agenda with you and encourage you to take a look at the ALTF recommendations

https://www.seattleschools.org/UserFiles/Servers/Server_543/File/District/Departments/advancedlearning/ALTF/ALTF-Final-Report-ADA.pdf.

This meeting will focus on continuing to build a relationship as a team, creating our committee norms, and hearing from the ALTF members as they provide context around the ALTF Recommendations. We will also share updates on the advanced learning work currently under way.

Agenda:

- Welcome and Team Building
- Norms Creation (Melia will have some basic norms prepared and you will add and adjust to meet our needs)
- ALTF Recommendations Carousel and questions/response
- ALTF Report and Timeline
- Looking forward to future agenda

Please bring your binder. We will give you a hard copy of the ALTF recommendations at this meeting. If you didn't receive a binder, please let me know and we will have one created for you.

Let both Heather and I know if you need childcare. Food will be provided.

We appreciate your willingness to engage with us in this essential work. Our committee is diverse and strong, and your time and effort are much appreciated!

Take Care,

Deenie Berry and Melia LaCour
