

Human Resources Personnel Report

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

For questions and more information about this document, please contact the following:

Clover Codd
Assistant Superintendent for Human Resources
206-252-0282

The personnel report is presented to the Board monthly and includes a list of all proposed changes to personnel assignments.
