**For Introduction:** May 1, 2019  
**For Action:** May 15, 2019

## **1. TITLE**

*Kids in the Middle* grant from the Nesholm Family Foundation

## **2. PURPOSE**

This Board Action will approve acceptance of the *Kids in the Middle* grant for \$690,596 from the Nesholm Family Foundation to provide support to the three highest poverty middle schools: Aki Kurose, David T. Denny International, and Asa Mercer International.

## **3. RECOMMENDED MOTION**

I move that the Board authorize the Superintendent to accept the *Kids in the Middle* grant funds from the Nesholm Family Foundation, in the amount of \$690,596 for the 2019-20 school year.

## **4. BACKGROUND INFORMATION**

- a. **Background:** Since 2002-03, the Nesholm Family Foundation has provided \$8.0M in total to the District, averaging \$475,000 per year, in support of the *Kids in the Middle* grant. This grant, awarded each year to the three highest poverty middle schools, Aki Kurose (674 students), Denny International (870 Students), and Mercer International (1,147 students), focuses on literacy improvements as the key to student learning and achievement. To this end, the *Kids in the Middle* initiative works to develop teachers' knowledge, skills and practices in reading and writing instruction; maintain high professional standards; and apply research-tested instructional practice. By giving teachers the support they need to develop crucial skills to narrow the achievement gap in reading and writing, *Kids in the Middle* enables teachers to better serve students in becoming readers who experience both the pleasure and power of being independent, college and career ready readers.

Each of the three schools receives funds to increase reading and writing achievement. Use of the monies is earmarked for: an additional Assistant Principal to focus on literacy instruction and teacher evaluation; substitute teachers and professional development time; supplies, travel and other expenses approved by the Nesholm Foundation; and textual materials. Additionally, Mercer Middle School receives a 0.2 FTE teacher to support instructional coaching for Language Arts teachers.

In addition to the grant awarded to the middle schools, the Nesholm Family Foundation provides professional development and instructional coaching for all three of the middle schools through an independent contract with Teachers College Reading and Writing Project Network. The Nesholm Family Foundation also contracts with Sound Mental Health to provide a mental health professional in each school as a means of addressing the socio-emotional challenges students experience that interfere with learning.

- b. **Alternatives:** Alternative action would be to not accept the funds. This is not recommended as these funds provide much needed support toward Priority 1: High Quality Instruction and Learning Experiences, Priority 3: Culturally Responsive Workforce.
- c. **Research:** Data From: Aki Kurose, Denny International Middle School, and Mercer International Middle School.
  - Mercer International targeted 300 students who were below standard on the Smarter Balance Assessment (SBA) in 2017. 160 of these students met standard on the 2018 SBA.
  - Aki Kurose targeted 52 students who were below standard on the SBA in 2017. 20 of these students met standard on the 2018 SBA.
  - Denny International targeted 88 students who were below standard on the SBA in 2017. 17 students moved from level 1 to above standard on the 2018 SBA.

**5. FISCAL IMPACT/REVENUE SOURCE**

**6. COMMUNITY ENGAGEMENT**

With guidance from the District's Community Engagement tool, this action was determined to merit the following tier of community engagement:

Not applicable

Tier 1: Inform

Tier 2: Consult/Involve

Tier 3: Collaborate

**7. EQUITY ANALYSIS**

The *Kids in the Middle* grant provides funding to three of the district’s highest Free & Reduced Lunch percentage middle schools. The grant funds provide additional staffing and professional development for staff which serve our most diverse middle school students, which is in line with the 2019-24 Strategic plan priorities to focus on those student populations most underserved.

**8. STUDENT BENEFIT**

Students will benefit through enhanced literacy instructions to meet state literacy standards.
