# How Students Access Naviance

Students in 6-12th grade have access to Naviance, the district's online college and career planning tool. Students access Naviance through the district's student portal.

How do Students Access Naviance During the School Day:

1. Log in to a district computer (desktop or laptop) with your student username and password.

2. Open a web browser and go to the district's home page at www.seattleschools.org.

3. At the top of the home page click **Student Family Portal** OR under **Popular Logins** click **Clever Student Portal**.
   - The Clever Student portal provides students access to all their learning applications.

4. Sometimes the Clever login page displays after clicking Clever - Student Portal.
   - If it **does not** display, go to step 6.
   - If it **does** display: On the Clever login page, click **Log in with Microsoft Entra**. Continue to step 5.

5. On the Seattle Public Schools login page, enter your **student username** followed by **@seattleschools.org** and your **password**, and then click **Sign in**.
Example username: 1username@seattleschools.org

6. When the Clever student portal opens, click on the Naviance icon to open Naviance.

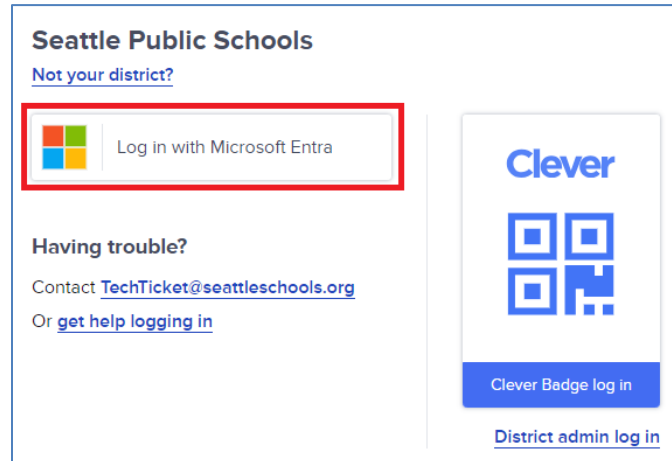

How Do Students Access Naviance When They Are Not at School:

1. Open a web browser and go to the district's home page at www.seattleschools.org.

2. At the top of the home page click **Student Family Portal** OR under **Popular Logins** click **Clever Student Portal**.
   - The Clever Student portal provides students access to all their learning applications.

3. On the Clever login page, click **Log in with Microsoft Entra** to display the Seattle Public Schools login page.

4. On the Seattle Public Schools login page, enter your student **username** followed by **@seattleschools.org** and your **password**, and then click **Sign in**.
    Example username: 1username@seattleschools.org

5. When the student portal opens, click on the Naviance icon to open Naviance.
