## Section 10

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

## Section 10: Services and Programs – Enrollment Trends for Advanced Learners (Spectrum)

**Section 10 Notes:** Advanced Learning (Spectrum) assignment to the attendance area middle school is guaranteed for all eligible middle school students.

The number students enrolled in Advanced Learning is trending downward. Starting in 2020, Advanced Learning is offered at every school. Enrollment in the program will continue to trend downward as a result.

As of the 2020 school year, no choice applications were processed for the Advanced Learning program, therefore there is no data for Section 10-D.
