

**Seattle School District #1
Board Resolution**

Resolution No. 2019/20-18

A **RESOLUTION** of the Board of Directors of Seattle School District No. 1, King County, Seattle, Washington certifying that new facilities/additions to facilities identified in the project application (Form D-3) submitted to the Office of Superintendent of Public Instruction will be built in lieu of modernizing existing facilities, and that the existing facilities will be demolished.

WHEREAS, the Seattle School District has undertaken a project to construct a new Kimball Elementary School, Northgate Elementary School and Viewlands Elementary School; and

WHEREAS, both local and state funds will be used for this project; and

WHEREAS, there are laws and rules regarding District eligibility for state assistance; and it is required that the District certify per WAC 392-347-042 that the existing facility or space to be replaced will not be used for instructional purposes after the new construction is completed, and that the existing facility will be demolished.

NOW THEREFORE, BE IT

RESOLVED, that the Seattle School Board of Directors certifies the Kimball Elementary School Replacement project will include demolishing the existing structure consisting of approximately 41,549 square feet that will be replaced by a new facility of approximately 100,000 square feet; the Northgate Elementary School Replacement project will include demolishing the existing structure consisting of approximately 44,422 square feet that will be replaced by a new facility of approximately 90,000 square feet; and the Viewlands Elementary School Replacement project will include demolishing the existing structure consisting of approximately 34,675 square feet that will be replaced by a new facility of approximately 100,000 square feet.

RESOLVED, that duly certified copies of this resolution shall be presented to OSPI.

ADOPTED this 11th day of December 2019.
