

Two levies continue funding for Seattle Public Schools students

Seattle Public Schools is asking voters to consider renewing one levy to continue funding for day-to-day operations, staff, and programs and a second levy to maintain the health and safety of our school buildings and fund student and classroom technology.

Prop 1. Renewal of the Educational Programs and Operations (EP&O) Levy funds:

School staff, including teachers, support staff, nurses, and custodians.

Opportunities for students like athletics, arts, drama, and music.

Programs and services, including special education, English learner programs, nutrition services, STEM learning.

Student supports for social-emotional health and wellbeing.

Prop 2. Renewal of the Building, Technology, and Academics/Athletics (BTA) Capital Levy funds:

Building projects to support the health of our school buildings.

Classroom technology

Funding for technology, including computers and tablets used by students, teachers and tech training.

Academic and athletic related building projects.

These levies are not a new tax

They renew the current levies, which expire in 2022.

If approved, property owners would continue to pay for these levies, with the replacement rate estimated to be \$1.21 per \$1,000 of assessed property value.
