

# Linked Elementary Schools and Location of Student Services

2022-2023 School Year

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

Many students are assigned to their attendance area school regardless of most service needs. For required services not available at every attendance area school, a linked school is generally designated. This provides predictable assignments for students who need these services. Please see the chart on the following pages to find your attendance area elementary school's linked school.

### Linked Elementary Schools and Location of Student Services and Programs: Grades K-5

| <b>LINKED SCHOOLS ARE BASED ON THE 2022-23 ELEMENTARY ATTENDANCE AREA SCHOOL FOR YOUR ADDRESS.<sup>1</sup></b><br>Families may apply to an option school or another attendance area school that offers the services that meets the student needs. |                                   | English Learners <sup>2</sup>                    | Advanced Learning <sup>4</sup>                  | <b>Special Education<sup>5</sup></b><br>Special Education resource services are provided at every school. Other services will typically be provided at the schools shown below, based on the elementary attendance area. However, students may be assigned to a different site with appropriate services, usually in the same or a nearby service area, as close as possible to the student's home <sup>7</sup> . 1. The 2022-23 elementary attendance areas are not all fully aligned with middle school service areas due to BEX V construction and phase-in of growth boundaries. Service areas are for reference only.

2. EL services are available at each school. Newcomer Services was formerly BOC Services.

3. There is no Newcomer Center (EBOC) in the Denny or Madison service area. Students in these areas will receive services at their attendance area schools.

4. Advanced Learning is available at each school.

5. Students needing comprehensive vision services will be assigned to Lowell.

6. Students living in the Green Lake attendance area will be assigned to Cascadia for HCC.

7. To the extent possible, students are placed in the least restrictive environment.

However, students may be assigned to a different site with appropriate services, usually in the same or a nearby service area, as close as possible to the student's home <sup>7</sup> . Students who have more than one service need will be assigned individually depending on the combination of services needed. To meet the fluid needs of students, assignments may span the Continuum of Services. |          |   |   |                          |   |

1. The 2022-23 elementary attendance areas are not all fully aligned with middle school service areas due to BEX V construction and phase-in of growth boundaries. Service areas are for reference only.

2. EL services are available at each school. Newcomer Services was formerly BOC Services.

3. There is no Newcomer Center (EBOC) in the Denny or Madison service area. Students in these areas will receive services at their attendance area schools.

4. Advanced Learning is available at each school.

5. Students needing comprehensive vision services will be assigned to Lowell.

6. Students living in the Green Lake attendance area will be assigned to Cascadia for HCC.

7. To the extent possible, students are placed in the least restrictive environment.
