## Graduation Pathways

All students must complete at least one graduation pathway in addition to the 24 credits + the High school and Beyond Plan to graduate. You can complete as many Graduation pathways as you want but need to complete a minimum of one.

I plan to complete the following graduation pathway(s).

- Language Arts (LA) and Math**
- CTE Pathway**
- Military Pathway**

### Language Arts (LA) and Math

Select which option you will complete to pass both LA and Math for this pathway. AP/IB classes need C+ for 1.0 credit. RS/CIHS need a 1.0/D for 1.0 credit. AP Exams 3 and above. IB Exams 4 and above. SAT: English Score of 410; Math score of 430. ACT: English score 14; Math score 16. SBA: English score 2548; Math score 2595.

#### Language Arts Options

- IB Lit 11
- IB Lit 12
- IB History of the Americas
- IB 20th Century History
- IB Psychology
- CIHS English
- CIHS English
- Running Start English 100 or higher
- ELA SBA Exam
- SAT or ACT Exam

#### Mathematics Options

- AP Computer Science
- AP Computer Science Principles
- IB Math SL
- IB Math HL
- AP Statistics
- AP Calculus AB or BC
- CIHS Business Math 130
- Running Start Math 100 or higher
- Math SBA Exam
- SAT or ACT Exam

### CTE Pathway

I will complete 2 credits and an IRC or Dual Credit course in the following CTE Program area. See course catalog for details. **Select one of the following:**

- Agriculture Education
- Business & Marketing
- Health Services
- Human Services
- Skilled Trades and Technical
- STEM

### Military Pathway

I want or am interested in pursuing a career in one of the branches of Military. I will complete the Armed Services Vocational Aptitude Battery (ASVAB) and provide the results to the testing coordinator or my school counselor. You need a score of 31. **Select the branch of military you are interested in:**

- Air Force
- Army
- Coast Guard
- Marines
- Navy
