iPad: Initial Set-up Instructions

This document walks you through the initial set-up process. Please follow each step exactly as described to ensure that your iPad is configured correctly for student use. If you have any issues with the set-up process, please contact for assistance.

You will need the following for this process:
- iPad
- Charging block and cord
- SPS Username, password, and Seesaw class code if available
- Home Wi-Fi password (if needed)

**Note:** Before setting up your iPad, be sure to connect the charging block and cord to the iPad and fully charge your iPad.

**Initial Set-up Instructions:**
After you turn your iPad on, tap through each of the following set-up screens

1. Tap the Home button at the **Hello screen**.

2. Select **English** at the language screen.
3. Select **United States** at the *Select Your Country or Region* screen.

4. Tap **Set Up Manually** on the *Quick Start* Screen.

5. Tap your home Wi-Fi name at the *Choose a Wi-Fi Network* screen.
6. Enter your Wi-Fi password in the *Enter Password* screen.
7. Select **Join** if needed.
8. Select **Next** in the upper right corner. Wait for the iPad to configure.
9. Tap **Don’t Transfer Apps & Data** at the *Apps and Data* screen.

10. Tap **Next** at the *Remote Management* screen, click Login.

11. Enter your **SPS Username** (without @seattleschools.org) and **password** at the Remote Management screen.

   Note: You may need to put the keyboard away to see the Login button.
12. Tap **Continue** on the *Keep Your iPad Up to Date* screen.

13. Tap **Enable Location Services**.

14. **Congrats!**
