

Meany Middle School

Seattle Excellence Continuous School Improvement Plan (CSIP)

Purpose

The Continuous School Improvement Plan provides an overview of the school, student outcome goals and a brief narrative description on how the school plans to collaboratively meet these goals over time. It is intended to offer families and community audiences an overview of improvement work aligned to the strategic plan and written in language that is accessible by a diverse audience.

Introduction

WHEN WE FOCUS on ensuring racial equity in our educational system, unapologetically address the needs of students of color who are furthest from educational justice, and work to undo the legacies of racism in our educational system by doing the following:

- Allocating resources strategically through a racial equity framework
- Delivering high-quality, standards-aligned instruction across all abilities and a continuum of services for learners
- Creating healthy, supportive, culturally responsive environments from the classroom to central office
- Directly and consistently working in partnership with families and communities who represent students of color who are furthest from educational justice; and
- Making clear commitments and delivering on them

THEN we will eliminate opportunity and achievement gaps and every student will receive a high-quality, world-class education.

Seattle Public Schools Foundational Beliefs for Supporting Student Learning

In Seattle Public Schools, we understand that a shared vision of practice is essential to fostering the learning communities that each of our students and adults needs to thrive. This shared vision enables educators to work in concert to build their practice with a focus on student learning.

As such, we believe:

- 1) **Teaching is intellectually complex**, difficult and demanding work, and the development of skillful teaching requires deep collaboration and non-defensive self-examination of practice in relation to student results.
- 2) **By collaborating with families in authentic partnerships**, we create a path for students to reach their highest potential, engaging with families as the first and lifelong teachers of students.
- 3) **"Intelligence" is not a fixed, inborn trait**. All children come to school with cultural capital and intelligence, and all have the raw material to learn rigorous academic material at high standards. Therefore, our work is to **build students' academic mindset**
- 4) **By recognizing and cultivating the gifts and strengths of every student**, we can get each student to believe in themselves and deconstruct any of their own internalized stereotypes.
- 5) **Racism in our society exerts a downward force on the experiences and achievement of students of color that must be met with active countermeasures.**

Our commitment to these beliefs is the route to institutionalizing racial equity and fostering a context where each child receives what they need to develop to their full academic and social potential, and we make educational equity and justice the cornerstone of our system.

School Profile

Meany Middle School is a community of lifelong learners that demonstrate the knowledge, skills, and values required for innovative global citizenship. Meany has an enrollment of 165 6th Grade students, 162 7th Grade students, and 169 8th Grade students. Meany's student population is diverse with 32.9% white, 31% Black, 14.9% Multiracial, 10.7% Hispanic, 9.7% Asian, and .4% in both American Indian and Pacific Islander. We have students who identify as female at 45.2% and male at 53.8%. Our population includes Non Binary students at 1%. We are proud to serve several students who need additional supports. Meany serves 19.76% of students with an IEP, 7.06% of students who receive ELL services, and 4.84% of students who receive 504 support. Our student population also includes 11.09% houseless/McKenney-Vento students and 46.17% of students qualify for free and reduced lunch. We deliver "Honors for All" which includes 16.94% of students who are Advanced Learners.

Priorities and Measurable Goals

Middle School Focus Goal: 7th Grade Mathematics

Priority Goal:

For the 2020-21 school year, at least 30% of 7th grade students of color furthest from educational justice will meet standards or higher on the Math Smarter Balanced Assessment.

Safe and Welcoming Environment Goal

Priority Goal:

For the 2020-21 school year, as measured in the On-Line Platform Utilization Report, our average daily attendance % will be at or above district average.

Additionally, we will work to align our average daily use %, as measured in Teams, within 5% of our average daily attendance rate (%).

Currently (10.27.2020) – Meany Daily Attendance: 95.3%; Meany Daily Teams use: 91.1%

Target Goal:

For the 2020-21 school year, we will maintain a minimum daily attendance rate of 80% or higher throughout the remote learning period.

High Quality Learning Experiences

Educate the whole child through high-quality instruction and learning experiences that accelerate growth for students of color who are furthest from educational justice, with an intentional focus on African American males.

To achieve educational justice, Seattle Public Schools (SPS) strives to provide safe learning environments, curriculum that incorporates a student’s life experiences and culture, and instruction delivered by high-quality, culturally responsive educators. Unfortunately, many students from certain ethnicities have not historically experienced equitable opportunities for all or part of their educational journey (including African and African American, Asian Pacific Islander and Pacific Islander, LatinX, and Native American students). These students are our priority – with an intentional focus on African American males.

School-wide Systems and Structures (MTSS)

MTSS offers the potential to create the alignment of systems necessary for all students’ academic, behavioral, and social success. In addition, MTSS promotes needed systematic change through intentional design and redesign of services and supports that quickly identify and match the needs of all students. MTSS is an integrated, comprehensive framework that focuses on CCSS, core instruction, differentiated learning, student-centered learning, individualized student needs.

Meany Middle School

School-wide Systems and structures (MTSS)

MTSS offers the potential to create the alignment of systems necessary for all students' academic, behavioral, and social success. In addition, MTSS promotes needed systematic change through intentional design and redesign of services and supports that quickly identify and match the needs of all students. MTSS is an integrated, comprehensive framework that focuses on CCSS, core instruction, differentiated learning, student-centered learning, individualized student needs.

MTSS Component 2: We want students to want to come to school. We will build our positive environment by:

PBIS – Developing tier 1 intervention for all students. Focusing on encouraging and maintaining attendance to remote learning and providing supports to Meany teachers for remote learning. We will this by providing staff surveys and using Culturally Responsive Teaching Strategies and converting them into remote learning strategies. We will recruit students and families to participate in PBIS learning sessions.

Digital Learning Coaches – Meany will send 5 teachers to digital learning coach training sessions in the fall with the goal of having more staffers able to support more teachers in implementing high level teaching moves while teaching remotely.

We will also continue to have reading/math intervention classes for tier 2 students while in a remote learning setting.

Gap Closing Practices and Special Services

Seattle Public Schools is committed to eliminating opportunity gaps to ensure access and provide excellence in education for every student.

Delivering high-quality, standards-aligned instruction across all abilities and a continuum of services for learners is a core element of Seattle Excellence. Our Theory of Action is guided by the principles of “Targeted Universalism.” Our universal goal is every Seattle Public Schools’ student receives a high-quality, world-class education and graduates prepared for college, career, and community. Targeted Universalism holds that targeted and differentiated efforts are required to meet the needs of specific student populations, so every student meets the universal goal.

By focusing on students of color who are furthest from educational justice, especially African American males, we will make the greatest progress toward our collective vision. We believe that an intentional focus on African American males will ultimately benefit every student.

- To support students with IEPs both co-taught classes and isolated classes for ELA and Math
- Community Partnerships to support students furthest from educational justice (The Rising, Queens Academy, King's Academy, Leaders of the Pack)
- Specialized courses for students such as Study Hall, Reading Intervention, and classes for ELL students.
- PTSA funded after school math tutoring/support
- Advanced math placement classes

- Communication requirements for teachers to reach out to students furthest away from educational justice in order to help them access class during the remote learning period; Strong Start
- Teachers participate in book studies on EOC days to create a positive learning environment and relevant learning opportunities for all students, but with focus on students furthest from educational justice.

Practices and Strategies

We will recognize and serve the academic, social, cultural, emotional, and behavioral strengths and needs of students, providing high-quality, culturally responsive instruction, curriculum, and social-emotional learning supports delivered by educators who set high expectations, so students graduate ready for college, career, and community.

Whole child education goes beyond a focus on academic achievement. When educators focus on educating the whole child, students are healthy, safe, engaged, supported, and challenged. In Seattle Public Schools, this means that we appreciate and serve the academic, social, emotional, and behavioral strengths and needs of students, which we believe comprise the needs of the "whole child."

High-quality instruction is focused on student-centered learning and achievement, intentional about student engagement, and aligned to standards with consistent and appropriate feedback.

At its foundation, culturally responsive education means that students are in an environment where they have the individual safety and comfort to learn within a classroom that has a common culture that is respectful of all backgrounds.

Essential Practice #2: Social Emotional Learning Skills and Practice: We create advisory lessons that are relevant to our school community through job alike. They partner and receive feedback from our PBIS and school counseling team and give space for student feedback.

· Essential Practice #1: Positive Relationships. In order to build authentic relations staff attend race/equity trainings and warm demander trainings to encourage staff to build warm communities in the their classrooms. Book club focused on a race and equity to foster discussion and growth amongst staff.

· Progress will be monitored through attendance data and staff and student climate surveys

· Requirements and look for's in remote classrooms to help encourage social development of students and fostering of a pro-social classroom.

· Essential Practice #2: Social Emotional Learning Skills and Practice: We create advisory lessons that are relevant to our school community through job alike. They partner and receive feedback from our PBIS and school counseling team and give space for student feedback.

Safe and Welcoming Environment

Students thrive in healthy, safe, engaging, supported, and challenging environments in which they can to learn to their full potential. Instruction must be high-quality, culturally responsive, focused, and aligned to standards for students to develop as independent learners.

Student voice should be evident, and students must be seen and celebrated for their authentic selves. Significant increases in academic outcomes for students furthest from educational justice are possible when

Meany Middle School

social, cultural, emotional, and behavioral needs of students are met by educators that share an unconditional belief in the potential of every student they serve.

Essential Practice #7- PBIS team works to generate solutions to obstacles that are in the way of a safe learning environment by looking at data once a month and taking input from staff, family and students. Measure through climate survey and connect with counselors and wellness team to help results.

Essential Practice #1: Relationships and Connections. Various committees host activities to build student and family engagement. This may look like student driven school tours, student representation in panels and PTSA events. Students have opportunities to engage socially through teacher led clubs.

Inclusive and Authentic Engagement

Partner with students, families, and communities who are furthest from educational justice by conducting inclusive and authentic engagement.

We will proactively and consistently work in partnership *with* students, families, and communities to identify needs, determine solutions, and support the implementation of the initiatives that will best meet the needs of students of color who are furthest from educational justice. We will use culturally responsive ways to engage so we build trusting relationships and empower the voices of those who can help us meet these needs.

Family and Community Goals

Priority Goal:

Increased parent of color and underrepresented group participation in school committees and decision making.

More parent participation within African American male advisory groups (Example – The Rising)

Plans for Family Engagement

- Host community events with diverse families in mind: Marketplace; African American Parent Involvement Day, Curriculum Night
- Host events during diverse hours: weekends, evenings, and afternoons.
- Events will be publicized throughout school and brought up within African American support groups. Success and progress will be monitored through attendance of events.
