Narrative questions:

1. Briefly describe a summary of your organization's proposed programming/activities and include the following:

a. What ages of students your program has served to date and how your programming will be designed to effectively serve K-4 students?

b. What activities will be included that focus on one or more of the following domains: science, technology, engineering, arts, or math and/or a career discovery/exploration or mentoring component?

2. Describe your organization's approach to working with racially, culturally and linguistically diverse students. Include any relevant information on training and supporting your staff.

3. How does your organization support anti-racist practice and positive identity development for all students?

4. What is your organization's experience in providing inclusive environments for students across a range of learning levels and styles?

5. At which of the 6 schools are you interested in providing programming (check all if no preference/open to any 1 of the 6): (checkboxes Broadview Thomson, Concord, Madrona, Maple, Martin Luther King Jr., and Olympic Hills)?

6. If your organization is interested in serving more than one school, please list the number schools you have the capacity to support this summer?

7. If you have an existing partnership with one of the 6 schools and/or serve students at that school or in the surrounding area, please describe the nature of the existing partnership or services for students.

8. Please provide two references who can speak to your organization's ability to provide programming.
