

# P223 Enrollment Reporting

## Enrollment Data by School and Grade

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

The P223 Enrollment Data for Basic Enrollment is a report required by the Office of the Superintendent of Public Instruction (OSPI) and is a summary of all K - 12 students enrolled on the first school day of each school month (or the fourth school day of September). This report contains all students included in the month's P223 report with the addition of information on all Preschool students, Bilingual students, and Special Education students actively enrolled on the P223 count date. It is also disaggregated by school and grade.
