

Our Mission

To enhance the learning experience and safety of all K-12 students by integrating state-of-the-art audio-visual, intercom and security solutions across Seattle Public Schools. Through collaboration with SPS, trusted contractors, and expert vendors, we are committed to delivering high-quality, future-ready technology that fosters interactive learning, ensures a secure environment, and aligns with SPS standards of excellence.

Mission:

Seattle Public Schools is committed to eliminating opportunity gaps to ensure access and provide excellence in education for every student.

Our Values:

Teamwork/Collaboration/Communications/Service

We will work together as “One Team” to foster a communicative and collaborative working environment.

Honest/Integrity/Trust/Respect

We will be respectful of each other and will incorporate a high level of honesty, integrity, trust to build positive working relationships with all stakeholders.

Effectiveness/Competence/Simplicity/Quality/Growth

We are committed to effectively and competently delivering simple to understand solutions with the highest quality and greatest capacity for growth and longevity.

Happiness/Satisfaction/Security

Deliver a system that meets the SPS mission statement.

Vision:

Every Seattle Public Schools’ student receives a high-quality, world-class education and graduates prepared for college, career, and community.
