PART TWO: Initial Use Training, Grade-Level Planning Unit One

This six-hour session will prepare educators for implementation of unit 1; including lesson design, materials, and instructional routines. Teacher teams working together ensures an aligned launch of unit 1, by building clarity, collaboration, and coherence for strong implementation.

Sign up will be available through **LEARN** on your Dashboard after completing Part One Initial Use.

Course title: **(Pt 2 of 7) K-5 ELA Emerge! Initial-Use Grade-Level Planning Unit 1**

Date	Audience	Location & Session Information
**Between June 24th, 2026-August 31, 2026	Grade-level Teacher Teams	In Assigned School Building, 6 hours of planning time
Saturday, August 29, 2026 8:30-3:30p	K-5 General Education Classroom Teachers	<i>Teachers will join tables of similar grade-level groups</i> JSCEE, Auditorium

**Dates and times must be pre-planned with principal approval before August 31st. Teachers must sign-in/out for full six hours using QR code onsite.

PART THREE: Ongoing Professional Development

These trainings will be focused professional development sessions throughout the school year on the following topics:

- *Science of Reading (3Hr)*
- *Foundational Skills (2Hr)*
- *Building Knowledge & Vocabulary (2Hr)*
- *Integrated and Extended Writing (2Hr)*
- *Data & Assessment (2Hr)*

This required series will promote equitable learning outcomes by deepening teacher expertise and building their capacity for strong implementation.

Sign up for these sessions will be made available after participants complete Part Two Initial Use Planning through **LEARN** on the Dashboard.
