

2026-2027 Work Year Calendar

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

The 2026-2027 Work Year Calendar identifies days that schools are in session, identifying days that are shorter than normal duration. The document also identifies weekdays when school is not in session and the reason for that.
