Attendance

Please email our attendance specialist if your student is absent at Westseattlehs.attendance@seattleschools.org or you may call 206-252-8804.

Attendance has been proven to be one of the most powerful predictors of academic achievement and can have a dramatic impact on key milestones, including ninth grade achievement, high school graduation, and life success. Attendance is a foundational part of strong teaching and learning. As part of our commitment to the learning needs of every child, WSHS will be monitoring and recording daily attendance. Parents can monitor attendance via [The Source](#).

If you need support outside of school hours, contact King County 24-hour crisis line at 206-461-3222.

Tardies and Absences: It is important to be in class, on-time and for the entire class period in order to maximize learning and success. If you happen to be late for some reason, please still come to class. You can do so without being disruptive and re-engage with what is happening in class. Follow up with the teacher at an appropriate time to see what was missed and check in about your tardiness.

- **Tardy Codes:**
 - Between 1 and 10 minutes late or out of class beyond bathroom allotted time= **L code**
 - Between 11 and 45 minutes late or out of class for more than half of the class= **UT code**
 - Show up last 10 minutes or out of class for all but 10 minutes or not present = **A code**

Cell Phones, Electronic, and Personal Items

We are implementing a new school-wide cell phone policy/protocol. **Phones Off, Learning On.** There is plenty of research out there now to be confident in saying that unlimited cell phone use at school can have negative impacts on students' academic performance and social emotional health. In addition, OSPI (Office of Superintendent of Public Instruction) just published guidance on this topic [cell-phone-and-smart-device-use-schools.pdf \(ospi.k12.wa.us\)](https://www.ospi.wa.gov/OSPI/OSPI%20Publications/Cell%20Phone%20and%20Smart%20Device%20Use%20in%20Schools.pdf)

Please have a conversation with your student about these expectations. Also, please do not knowingly try to contact your student during class time. If an emergency, contact the main office. We are only asking students to disengage from their phones during class times.

We will be implementing a policy/protocol that involves students placing their phone into a hanging phone pocket at the beginning of each class. Each class will start without phones and may transition to use at some point, or not, depending on the learning activity that is happening on any given day. Here is the outline of our expectations.

1. Each student will get a numbered pocket in each class.
2. The number corresponds to a pocket in the phone holder.
3. At the beginning of class, each student will put their phone in their respective pocket
4. If you don't have a phone, you will put a card in your phone holder
5. Phones are to remain in the phone holder throughout class unless the teacher has turned their cell phone stop light to green.
6. This includes when leaving the room for bathroom/water/etc.

Emergencies pertaining to cell phones

- Students, if you have an emergency and need to contact your parent(s)/family, please let your teacher know immediately. There is a phone available in the main office for students to use.

If you need support outside of school hours, contact King County 24-hour crisis line at 206-461-3222.

- Families, out of consideration of instructional time, other students, and staff members, please do not call, FaceTime, Zoom, Livestream or the like during the school day with your student during class time.
- Families, if you need to speak with your student, please feel free to call the main office at 206-252-8800 and a staff member will let them know.
- We strongly suggest that students do not bring ear pods and personal items of value to school.

West Seattle High School staff and administration are not liable for any lost, missing, stolen, and/or misplaced cell phones, ear pods, or any other electronics or personal items.

Bathroom Use During Class Time: 5-Point Check List

There will be times when a student needs to use the bathroom during class time. We want to minimize the amount of time that students are out of the classroom to maximize learning. **Only one student is allowed out of the class for the bathroom at a time.**

Here are the 5 simple rules to follow:

1. Sign out and back in legibly.
2. Take a pass.
3. Gone a maximum of 5 minutes.
4. **10-10 Rule.** No signing out during the first or last 10 minutes of class or while teacher is presenting.
5. **No pit or social stops.** Go directly to the closest open bathroom and back. Bring the pass back.

Communication

We believe in positive and productive communication between home and school. If you have a question or concern, please contact the staff member directly to resolve it first.

You may search for WSHS staff emails [here through the West Seattle HS Directory](#), and then put their name, job, or title in the search bar to find the person.

If you send an email on the weekend, holiday, or school break; or if the staff member is absent, expect a delay until the next school day. **Kindly expect up to 48 school/business hours for a reply to emails requiring a response from staff.**

Please check teachers' individual Schoology pages for updates on assignments, tests, and important dates.

Lunch Information

At WSHS we have one lunch. **We recommend that ninth students stay on campus.** Students can eat lunch and then go outside on the field, participate in clubs and open gym. There will not be much time for students to go off campus, get food and return on time. So, please have a conversation with your student(s) about their plans for lunch.

- Please treat the campus with respect and care as it's a historical landmark, built in 1917. Treat the community and local businesses with civility and conduct yourselves honorably in the community.
- Clean up after yourselves, put trash, compost, and recycling in appropriate bins.
- You are ambassadors of WSHS while out in the community. How you act while out and out and about reflects on all of WSHS.

Running Start Students

Students will be treated as college students while attending the community college, expected to adhere to the same college rules, expectations, and procedures as all other college students. Students are responsible for knowing and following all rules, guidelines and deadlines of the Running Start program at the specific college they are attending.

Accessing West Seattle High School Campus Expectations:

- **Full-Time Running Start:** Only permitted on campus during school hours if you have a scheduled appointment with a WSHS staff member/Neighborcare.
- **Part-Time Running Start:** Only permitted on campus during scheduled period at the high school. Or if you have a scheduled appointment with a WSHS staff member/Neighborcare.

In the rare circumstances, if a Running Start student is on campus outside of their scheduled class time, students are expected to report to the library. If the library is closed, please report to the main office.

If you need support outside of school hours, contact King County 24-hour crisis line at 206-461-3222.

[Grading Policy and Guidelines for 2024-25, Grades 6-12](#)

SPS grading guidelines have been developed to support our belief in equity and inclusivity. These guidelines will also help us meet our commitment to racial equity as required by Policy 0030 and the SPS Strategic Plan.

In our pursuit of academic excellence, we firmly believe that grades should serve as accurate reflections of a student's understanding of content. To uphold this principle, we envision a grading system that encompasses three essential tenets: accuracy, impartiality, and empowerment of student growth.

Student grades should be:

Accurate: Grades measure what students know and are able to demonstrate. They are coherent for teachers, students, and families to understand and should communicate student achievement rather than punish or sort.

Bias-resistant: Grades should avoid subjective behavioral assessments that may be impacted by teacher implicit bias or reflections of the student's environment or culture.

Motivational: A tool to promote intrinsic interest in learning and a growth mindset.

*This list is adapted from Joe Feldman's *Grading for Equity*.

Grading Requirements

There has been no change to the districtwide grading scale in [Policy 2420](#) for the 2024-25 school year. We will continue to utilize an A-E scale. However, SPS leadership requires the following 3 grading practices that promote equity and a long-term effort to move towards a competency-based grading system.

SPS will require the following practices in 2024-25:

Communication: SPS educators will provide biweekly check-ins with students and families for students at risk of earning an Incomplete, No Credit, or a failing grade.

Minimum Grades: SPS educators will not give any grades lower than 50% on any assignment or assessment even for a missed assignment.

Redemption: SPS educators will allow retakes and assignment revisions to the maximum extent possible.

Grading Recommendations

The district also recommends the following grading practices that minimize inequitable grading:

- Avoid grading students based on participation, attendance, or behavior.
- Avoid group grades; grade only what individual students know and are able to demonstrate.
- Provide effective progress monitoring through updated grades and Source information at least every other week for all students.

Retake Guidelines: SPS educators will allow retakes and assignment revisions to the extent possible.

Summative Assessments or summative projects are available for Retakes

Students must complete some type of reflection or additional learning prior to being eligible for

If you need support outside of school hours, contact King County 24-hour crisis line at 206-461-3222.

retake. This will vary between subject areas.

- When possible, re-takes will include only the areas in which students need to show improvement in order to meet standard. This might not be possible in some areas thus requiring re-taking an entire assessment.
- Re-takes can take place within a reasonable amount of time following the initial assessment.
- Students who plagiarize an assessment may not be eligible for a re-take.

No Zeros: SPS educators will not give any grades lower than 50% on any assignment (e.g., no zeros), even for a missed assignment.

A “No Zeros” policy is in place in order to make a 100point scale mathematically accurate in representing equal spacing between each grade band from A to E.

When using a 100 point scale, a grade of 50 represents not completing or well-below standard performance.

SPS Educators will use the following grading scale per [Policy 2420](#):

SPS Policy 2420 Uniform Grading Scale	Cutoff %
A	93
A-	90
B+	87
B	83
B-	80
C+	77
C	73
C-	70
D+	67
D	60
E	50

Incomplete Guidelines

For any incomplete “I” earned during the 2024-25 school year, students have six weeks after the term to complete an individual learning plan (ILP) and convert the “I” to a letter grade. Once their ILP is completed the teacher of record will submit a grade change form with the earned letter grade. Please see school level policy for this process. If no action is taken the “I” will revert to an “E” grade on the transcript on the timeline below.

Term	Term End Date	“I”s revert to E
2023/24 Q4/S2	6/28/2024	10/17/2024
2024/25 Q1	11/06/2024	1/8/2025
2024/25 Q2/S1	1/28/2025	3/18/2025
2024/25 Q3	4/08/2025	5/28/2025
2024/25 Q4/S2	6/18/2025	10/15/2025*

If you need support outside of school hours, contact King County 24-hour crisis line at 206-461-3222.

AI Policies, Academic Integrity and Plagiarism Policy

AI

Per the SPS AI page, “AI tools should not be used to create products to be submitted as a student or educator’s original work unless explicitly allowed for that purpose. Use of AI tools can be seen as analogous to getting assistance from another person or source. Any substantial help from AI tools in completing assignments or exams must be acknowledged and clearly communicated or [cited using the correct format.](#)”

At West Seattle High School, plagiarism is not tolerated. All students are expected to cite resources in their writing and research. Students are expected to do their own work which includes not cheating on exams and /or copying other students’ homework and not using a computer translator/program (like Google Translate) to produce writing on class work, assignments, and assessments, especially in World Language classes. Failure to follow this policy may result in retaking the assessment, redoing the assignment, and/or loss of grade and/or credit for that assignment. Students will also be referred to administration for progressive discipline. See full WSHS plagiarism policy below for more details.

Plagiarism

Academic dishonesty/plagiarism, as defined in the SPS Student Rights and Responsibilities, is “knowingly submitting the work of others represented as the student’s own or assisting another student in doing so or using unauthorized sources.”

Plagiarism includes:

- Using another writer’s words or ideas without proper citation, or merely rearranging or changing a few of the author’s words and presenting the result as your own work, or not using quotation marks when citing a source.
- Having someone else write your paper, program, or project, including asking friends, paying someone, using a paper writing service, or taking information verbatim off the Internet.
- Copying another student’s work during a test, lab, or classroom activity and turning it in as your own. This is cheating.
- Using AI/googling/looking up answers to math/science problems online for math or science and passing them off as your own work.
- Using AI to pass off as your own work.

WSHS Plagiarism Sanctions

 - The assignment will be marked “incomplete” until this step is complete.

If you need support outside of school hours, contact King County 24-hour crisis line at 206-461-3222.

- Any change after ten days, including a staff-initiated transfer, requires documentation in a student's file or PowerSchool, and approval from the assistant principal (10-12,A -Kn Mr. Knight, 10-12, Ko-Z Mrs. Carroll, Ms. Claus, 9th Grade).

School Rules: Student Rights and Responsibilities

Please refer to Seattle Public School Discipline Policy for detailed information can be found at the link here: <https://www.seattleschools.org/departments/discipline-and-behavior/rules-rights-and-responsibilities/>

Here is a concise version of The Basic Rules of Seattle Public Schools <https://www.seattleschools.org/wp-content/uploads/2024/09/Final-Basic-Rules-of-SPS-2024.2025.pdf> Information in Amharic, Chinese, Somali, Spanish, Vietnamese coming soon.

The Basic Rules of Seattle Public Schools sets forth the rules and regulations of Seattle Public Schools regarding student behavior. It is created in compliance with the requirements of state law and is aligned with the Seattle Public Schools Strategic Plan. It references sections of the Washington Administrative Code (WAC) that govern use of corrective responses (i.e., discipline, suspension, and expulsion) for any student by a school district. The foundation of Seattle Public Schools' discipline policy is established through the lens of prevention within an inclusive, safe, and welcoming environment. Stakeholders, students, families, educators, administrators, district staff, and volunteers, co-create shared school-wide behavioral expectations, common language, as well as discipline procedures and strategies that aim to maximize instructional time and reduce out of classroom and school consequences for behavior. School staff are committed to implementing disciplinary responses that affirm all students' connection to their school community, while nurturing and restoring student-school relationships.

This document applies to all students and is designed to communicate student rights and discipline policies to all members of the educational community including rules, regulations, and due process procedures. Parents and guardians are encouraged to review the Basic Rules of Seattle Public Schools with their student. It describes expectations at school as well as what students may expect from adults at school. Seattle Public Schools also publishes Seattle Public Schools Basic Rights Brochure in flyer format and distributes it to all students at the beginning of each school year. All discipline documents may be found on the Seattle Public Schools website.

The Seattle School Board adopted these rules in August 2023. The Seattle School District follows the substantive and procedural due process rights guaranteed by the Office of Superintendent of Public Instruction under RCW 28A.600.015. See, Chapter 392-400 WAC. A copy of the regulations may be requested by contacting the Discipline Appeals Office at 206-252-0820 or downloading the regulations at: <https://apps.leg.wa.gov/WAC/default.392-400>.

Conversely, if you find something that isn't yours, turn it in to the main office or security.

Fine/Fee Policy

Failure to return books and/or pay fees will result in a fine card being sent to the Fiscal Specialist. In addition, student athletes will be fined if uniforms and/or equipment are not returned in a timely manner. Payments can be made on a regular basis to the Fiscal Specialist, in room 120G.

A student or parent can see if a fine/fee is due by using The Source at: <https://ps.seattleschools.org/public/>. Once you sign in on The Source click on the library link to locate any fine/fees information. This information is updated on a regular basis.

Failure to pay fines may lead to:

1. Ineligibility to play sports.
2. Loss of ASB privileges, such as attending dances and other ASB sponsored events.
3. Inability to attend field trips.
4. Your yearbook being held until the end of the last day of school.
5. Attending Prom (if in-person prom is permitted this year), walking in the graduation ceremony, picking up your diploma, and the sending out of your transcript.

Dress Code

Substance use remains an ongoing concern with high school students at WSHS and around the country. We have noticed an uptick in the wearing of clothes with drug and alcohol symbols and advertising. We want to support a campus free of drugs and alcohol and free of messaging encouraging use.

Please remind your students about [district policies on school appropriate dress](#), [Seattle Public Schools Board Policy 3224](#). It is the policy of the Seattle School Board that the student and their parent/guardian hold the primary responsibility in determining the student's personal attire, hairstyle, jewelry, and personal items (e.g. backpacks, book bags). Schools are responsible for assuring that student attire, hairstyle, jewelry, and personal items do not interfere with the health or safety of any student and do not contribute to a hostile or intimidating environment for any student.

Core Values

In relation to student dress, the district's core values are the following:

- Students should be able to dress and style their hair for school in a manner that expresses

their individuality without fear of unnecessary discipline or body shaming;

- Students have the right to be treated equitably. Dress code enforcement will not create disparities, reinforce or increase marginalization of any group, nor will it be more strictly enforced against students because of racial identity, ethnicity, gender identity, gender expression, gender nonconformity, sexual orientation, cultural or religious identity, household income, body size/type, or body maturity;
- Students and staff are responsible for managing their personal distractions; and
- Students should not face unnecessary barriers to school attendance.

Universal Dress Code

Students must wear:

- **Top (shirt, blouse, sweater, sweatshirt, tank, etc.);**
- **Bottom (pants, shorts, skirt, skorts, dress, etc.); and**
- **Footwear.**

This policy permits additional student attire requirements when necessary to ensure safety in certain academic settings (e.g. physical activity, science or CTE courses).

Additionally, this policy allows for reasonable variation in required student attire for participation in activities such as swimming or gymnastics.

Students may not wear clothing, jewelry, or personal items that:

- Are pornographic, contain threats, or that promote illegal or violent conduct such as the unlawful use of weapons, drugs, alcohol, tobacco, or drug paraphernalia;
- Demonstrate hate group association/affiliation and/or use hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or other protected groups;
- Intentionally show private parts (nipples, genitals, buttocks). Clothing must cover private parts in opaque (not able to be seen-through) material;
- Cover the student's face to the extent that the student is not identifiable (except clothing/headgear worn for a religious or medical purpose); or
- Demonstrate gang association/affiliation.

Attire worn in observance of a student's religion are not subject to this policy. This policy permits schools with a uniform policy to continue having a uniform policy provided that it is gender neutral and inclusive of attire worn for a religious reason.

Enforcement

Principals are required to ensure that all staff are aware of and understand the guidelines of this policy.

Staff will use reasonable efforts to avoid dress-coding students in front of other students.

Students shall not be disciplined or removed from class as a consequence for wearing attire in violation of this policy unless the attire creates a substantial disruption to the educational environment, poses a hazard to the health or safety of others, or factors into a student behavior rule violation such as malicious harassment or the prohibition on harassment, intimidation, and bullying. Further, no student shall be referred to as "a distraction" due to their appearance or attire.

Typical consequences for a violation of this policy include parent/guardian contact or

conference and the directive to cover, change, or remove the noncomplying attire. A student may be instructed to leave their classroom briefly to change clothes. The Principal or their designee should notify a student's parent/guardian of the school's response to violations of the student dress policy.

The Superintendent or their designee is authorized to develop procedures in order to implement this policy if needed.

Harassment, Intimidation, and Bullying (HIB)

Seattle Public Schools is committed to a positive and productive education and work environment free from discrimination, including sexual harassment. Harassment, intimidation, and bullying are not acceptable behavior at WSHS.

To ensure respect and prevent harm, it is a violation of district policy for a student to be harassed, intimidated, or bullied by others in the school community, at school-sponsored events, or when such actions create a substantial disruption to the educational process. The school community includes all students, school employees, School Board members, contractors, volunteers, families, patrons, and other visitors. No student within the school community will be harassed because of their race, creed, color, religion, ancestry, national origin, age, economic status, gender, sexual orientation including gender expression or identity, pregnancy status, marital status, physical appearance, the presence of any sensory, mental or physical disability, honorably discharged veteran or military status, or the use of a trained dog guide or service animal by a person with a disability, or other distinguishing characteristics.

Any school staff who observes, overhears, or otherwise witnesses harassment, intimidation, or bullying, or to whom such actions have been reported, must take prompt and appropriate action to stop the harassment and to prevent its recurrence.

WHAT TO DO IF YOU EXPERIENCE HARASSMENT, INTIMIDATION, AND BULLYING (HIB)

The most important thing to remember is that harassment is not acceptable and must be stopped. However, you don't need to try to stop it on your own. We, as a staff, are here to help.

- Please report it immediately to any staff member or security.
- Staff MUST then inform the Administrative Team.
- You may also report it directly to any building administrator.

[Seattle Public Schools Policy 3207](#) details the prohibition against harassment, intimidation, and bullying.

[Superintendent Procedure 3207SP](#) describes the procedures the district uses when addressing allegations that a student may be experiencing harassment, intimidation, or bullying.

Reports can be made in person or over the phone to any staff member or security. They can be made in writing via email, Teams Chat, etc. They can also be made in writing using the Harassment, Intimidation and Bullying (HIB) Incident Reporting Form (see links below). While you do not need to use the HIB Incident Reporting Form to make a report, many students find using the form a helpful way to be sure they are providing all necessary information. If you use the HIB Incident Reporting Form, please remember that you should provide a copy to the school

principal AND to the District's Compliance Officer (via email at oscr@seattleschools.org, or mail at Office of Student Civil Rights, Mail Stop 33-157, P.O. Box 34165, Seattle, WA 98124).

Title IX: Sexual Violence Reporting and Resources

WARNING: This section contains information on sexual assault, harassment, and rape.

[Click here to read the SPS policy and procedure on sexual assault and sexual harassment.](#) The district prohibits sexual assault and harassment of students, employees and others involved in school district activities. If you have been sexually assaulted or sexually harassed, we are here to support you. Please let us know by reaching out to a trusted administration or staff member for support. Staff and administration will respect and honor whomever you are comfortable with confiding in.

***Teachers and school staff are mandatory reporters, meaning if you tell them you have been assaulted, they are required to report it. When you report a sexual assault your report first goes to building administration. Then building administration contacts the Title IX office. If necessary, then the administrator or staff member reports to CPS or SPD (Seattle police). After a report to SPD, SPD will attempt to contact you; they may come to campus or will attempt to contact you at home. You can choose whether you want to speak to the police – if you do choose to speak to the police and they come to speak with you on campus, a trusted staff member can support you in speaking to the police by being present in your meeting.**

Retaliation is prohibited.

Retaliation against any person who makes or is a witness in a sexual harassment complaint is prohibited and will result in appropriate discipline. West Seattle High School will take appropriate actions to protect the persons involved from retaliation.

WHAT IS CONSENT?

Consent is a verbal and affirmative agreement between participants of all actions that overlap with bodily autonomy. These actions include agreeing to touch, hold hands, hug, kiss, and engage in sexual intercourse. Any sexual activity without consent is considered sexual assault.

Consent is FRIES...

Freely given without manipulation, pressure, or under the influence of drugs or alcohol

Reversible (One can change their mind anytime on what they consent to do)

Informed (One is aware of what they are consenting to do)

Enthusiastic (All parties in the action are visibly and vocally interested)

Specifically given for each act

Age of consent in Washington State:

The age of consent in Washington state is 16 years old. This means that once an individual is 16, they can legally consent to sexual activity with an adult who is 18 years or older unless there is an unequal power dynamic. If there is an unequal power dynamic, there is not consent. (Ex: There is not consent between a teacher and student, foster parent and foster child, employer and employee, large age differences, or if an individual has cognitive delays) **RCW 9A.44.010.**

If someone is not 16, Washington state law states that sex, even when teens may think they're consenting, the State considers the listed instances illegal if:

- The younger person is under 12, and the older person is more than 24 months older **(RCW 9A.44.073)**
- The younger person is 12 or 13, and the older person is more than 36 months older **(RCW 9A.44.076)**
- The younger person is 14 or 15, and the older person is more than 48 months older **(RCW 9A.44.079)**

WHAT IS SEXUAL ASSAULT AND SEXUAL HARASSMENT?

Sexual Assault Sexual assault is any unwanted, non-consensual sexual contact of an individual. It can be by force (against a person's will) or when a person cannot give consent (under the age of consent, intoxicated, developmentally disabled, mentally/physically unable to consent, etc.). It can happen to anyone regardless of race, gender, age, and sexuality

Sexual Harassment Sexual harassment is unwelcome behavior or communication that is sexual in nature when:

- A student or employee is led to believe that they must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision
- The conduct substantially interferes with a student's educational performance or creates an intimidating or hostile educational or employment environment.

Sexual harassment can happen to anyone regardless of race, gender, age, and sexuality.

This conduct may take many forms, including:

- Making unwelcome, offensive or inappropriate sexually suggestive comments,
- Gestures or jokes
- Standing too close,
- Inappropriate touching
- Cornering, or stalking a person.
- Sending unwanted pictures that are sexual in nature; or
- Displaying offensive or inappropriate sexual illustrations on school property

Again, if you feel comfortable, please let a trusted staff member, a teal ribbon staff member or administration know if you have been sexually harassed or sexually assaulted. **Please also see the bottom of this section for contact information of outside resources.**

What is the Teal Ribbon Project? What are Teal Ribbon Staff Members?

The Teal Ribbon Project is a program dedicated to promoting sexual violence prevention and creating safe spaces for students at West Seattle High. Created by the WSHS Sexual Violence Resource Group in partnership with the King County Sexual Assault Resource Center (KCSARC), the Teal Ribbon Project is a program that will debut during this school year.

By signing up to be a "teal ribbon staff member," WSHS staff can identify themselves as a safe place for students to receive support. Participating staff have received additional training from KCSARC at the end of August on sexual violence prevention, supporting students, and being a safe space for survivors of sexual violence. Trained staff will then identify themselves to students with a door decal and poster provided after the training. Please note that trained staff members are not mental health providers.

Please know that administration and staff take reports of sexual harassment and sexual assault very seriously. We want to provide a supportive environment for all of our students and will take appropriate next steps when receiving reports. Please also know that for false allegations, it is a violation of this the District's policy on Sexual Assault and Sexual Harassment to knowingly report false allegations of sexual harassment or sexual assault. Persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline. If you believe that someone has made a false allegation against you, please let a trusted staff member or administration know.

Parking

Parking a student car on campus is a privilege. To gain and maintain this privilege a student must apply for a parking space online, be approved, and drive safely! They must have a valid license and insurance to apply. Parking permits are issued for a full or partial academic year. [Parking Applications](#) are processed on a first come-first serve basis.

Once the application is processed, the student will be notified via email. Passes will be available throughout the year as students earn their license or until the lot is full.

Student parking areas are open to all students with valid parking permits. During the hours 6:30am-4:00pm. Visitor parking areas are off limits to students.

By issuance of a parking permit West Seattle High School does not assume liability for any property damage to any private automobile parked on its property. The owner-operator(s) of all private vehicles accepts responsibility for their own property and agrees they are parking at their own risk. Vehicles must be operated in a safe and legal manner at all times on the West Seattle High School campus.

Because it is necessary to maintain emergency and business access to the campus, cars blocking fire lanes, bus lanes, handicap only, staff or visitor parking areas, the bus turn-around area, grass, no parking zones, etc. will be towed and/or driver fined, and parking privileges may be removed.

West Seattle High School Parking Policy

CITATIONS/VIOLATIONS

Depending upon the severity and/or frequency, parking citations can result in the temporary or permanent loss of parking privileges. Citations will be issued for the following:

1. Blocking accessibility, parking in the driveway or occupying more than one parking spot.
2. Parking in restricted areas (fire lanes, bus lanes, handicap stalls, staff or visitor parking areas, the bus turn-around area, on the grass area, no parking zones, etc.), or not parking in an assigned parking area.
3. Moving violation (speeding, unsafe driving, or misuse of vehicle). The speed limit in the parking lots is 5 MPH.
4. Falsification, misrepresentation, reselling or possession of another's parking permit, falsification or forgery of a permit may result in additional discipline.
5. **Parking in a handicap space without a valid and visible state handicap parking permit, risk a \$450 ticket and impound from the Seattle Police Department.**

Depending upon the severity and or frequency of the infractions, additional penalties up to and including the temporary or permanent loss of parking privileges as well as additional disciplinary consequences.

For students with more than two ticket violations, parents may be contacted. Repeat violators may be towed at the owner's expense.

If you wish to dispute a parking ticket you receive, you must do so with the parking supervisor within five (5) days. No changes will be made for tickets older than five school days. Disputing a parking ticket does not necessarily result in a reduction or elimination of the fine imposed.

Parking fines must be paid by the end of each semester or the parking permit may be revoked until the parking fines are paid. No reimbursement will be given if the parking permit is revoked.

STOLEN OR LOST PERMITS

Students will be allowed to replace a lost or stolen parking permit once at a cost of \$5.00.

The original permit will be voided and a new permit issued. If your permit is stolen, submit a report of the theft to the front office immediately. Students may not borrow, loan or resell parking permits to other students.
