Stay Home When Sick

At Seattle Public Schools, we are committed to keeping our school communities safe. You can help us by keeping your student home when they have a known exposure to someone with COVID-19, or new symptoms that are not caused by another condition.

Symptoms of COVID-19 may include:

- Fever or chills
- Cough
- Fatigue
- Headache
- Sore throat
- Nausea or vomiting
- Congestion or runny nose
- Diarrhea
- New loss of taste or smell
- Muscle or body aches
- Difficulty breathing

SPS will not be doing COVID testing this school year onsite.

Hand Washing

Hand washing is important to prevent the spread of COVID-19. Students and staff should wash their hands with soap and water or use hand sanitizer if soap and water are not available. Hand washing will be encouraged throughout the day, especially when students are changing classrooms, prior to eating, and after playing outside or using the restroom.

If you have questions or concerns about SPS health and wellness policies, please email healthinformation@seattleschools.org.
Attendance

Please email our attendance specialist if your student is absent at westseattlehs.attendance@seattleschools.org or you may call 206-252-8804.

Attendance has been proven to be one of the most powerful predictors of academic achievement and can have a dramatic impact on key milestones, including ninth grade achievement, high school graduation, and life success. Attendance is a foundational part of strong teaching and learning. As part of our commitment to the learning needs of every child, WSHS will be monitoring and recording daily attendance. Parents can monitor attendance via The Source.

Tardies and Absences

It is important to be in class, on-time and for the entire class period in order to maximize learning and success. If you happen to be late for some reason, please still come to class. You can do so without being disruptive and re-engage with what is happening in class. Follow up with the teacher at an appropriate time to see what was missed and check in about your tardiness.

- **Tardy Codes:**
  - **L code:** Between 1 and 10 minutes late or out of class beyond bathroom allotted time
  - **UT code:** Between 11 and 45 minutes late or out of class for more than half of the class
  - **A code:** Show up last 10 minutes or out of class for all but 10 minutes or not present

Bathroom Use During Class Time:

5-Point Checklist:

There will be times when a student needs to use the bathroom during class-time. We want to minimize the amount of time that students are out of the classroom in order to maximize learning. Here are the 5 simple rules to follow:

1. Sign out and back in legibly.
2. Take a pass
3. Gone a maximum of 5 minutes.
4. **10-10 Rule.** No signing out during the first or last 10 minutes of class or while teacher is presenting.
5. No pit stops. Go directly to the closest open bathroom and back.

If you need support outside of school hours, contact King County 24-hour crisis line at 206-461-3222. Free crisis counselling, 24/7, Text HOME to 741741
Communication

We believe positive and productive communication between home and school. If you have a question or concern, please contact the staff member directly to resolve it first.

You may search for WSHS staff emails here through the West Seattle HS Directory, and then put their name, job, or title in the search bar to find the person.

If you send an email on the weekend, holiday, or school break; or if the staff member is absent, expect a delay until the next school day. **Kindly expect up to 48 school/business hours for a reply to emails requiring a response from staff.**

Please check teachers’ individual Schoology pages for updates on assignments, tests, and important dates.

https://www.seattleschools.org/departments/dots/support-training-forms/schoologylms/

We also recommend checking your grades via the Source. Families, if you do not have a Source account, you may get one here:

https://www.seattleschools.org/departments/dots/support-training-forms/source/

Please make sure that your updated email address and phone number(s) are on file, so you don't miss out on any news or text updates. Teachers also have access to Talking Points, a district supported texting app.

Grading

As approved by the Seattle Public Schools Board, grading policies outlined in Policy 2420 will continue, utilizing an A-E scale. To advance equity and support our ongoing shift towards a competency-based grading system, SPS leadership mandates the following 3 grading practices for the 2023-24 academic year:

1. **Communication Home & Gradebook Updating:** SPS educators will provide biweekly check-ins with students and families for those at risk of earning an Incomplete, No Credit, or failing grade.
   a. Grades will be updated in The Source at a minimum every 2 weeks.
   b. Communication will be made with home for students who are not on track at a minimum of every 2 weeks. Communication options include phone calls, TalkingPoints, email, etc.

2. **Retake Guidelines:** SPS educators will allow retakes and assignment revisions to the maximum extent possible.
   a. Summative assessments or summative projects are available for retakes.
   b. Students must complete some type of reflection or additional learning prior to being eligible for retake. This will vary between subject areas. Examples may include completing notes, test corrections, review with teacher, etc.
   c. Retakes will cover the same content matter/ standards as the original assessment.
   d. Retakes will be completed within two weeks (10 school days) of returning original grades, with possible adjustments communicated beforehand. Note: Students may experience emergencies which preclude them from meeting this retake deadline and communicating with you beforehand. Please consult with an administrator if this occurs in your classroom.
   e. A single retake opportunity is allowed for summative assignments. For students dissatisfied with retake results, a meeting with the teacher is recommended to collaboratively devise a support plan.
   f. IEP/504 plans take precedence over the retake policy and timelines, in accordance with each student’s specific plan.

3. **No Zeros:** SPS educations will not give any grade lower than 50% on any assignment (eg- no zeros), even for a missed assignment.
   a. A “No Zeros” policy is in place to make a 100-point scale mathematically accurate in representing equal spacing between each grade band from A to E.
b. A grade of 50 should be entered if a student attempts the assignment and scores 50% or below. A grade of IE should be entered if the assignment is missing and/or the student did not attempt the assignment.
c. SPS Educators will use the following grading scale per Policy 2420:

<table>
<thead>
<tr>
<th>SPS Policy 2420 Uniform Grading Scale</th>
<th>Cutoff %</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>93</td>

**Incomplete Guidelines**

For any incomplete “I” earned during the 2023-24 school year, students have six weeks after the term to complete an individual learning plan and convert the “I” to a letter grade. Once their ILP is completed the teacher of record will submit a grade change form with the earned letter grade. Please school level policy for this process. If no action is taken the “I” will revert to an “E” grade on the transcript on the timeline below.

**Academic Integrity and Plagiarism Policy**

**Definition & Scope:** Academic Dishonesty/ Plagiarism is the deliberate submission of others’ work as one’s own or aiding another in such conduct, along with unauthorized use of sources, as outlined in the SPS Student Rights and Responsibilities Handbook. At West Seattle High School, plagiarism & academic dishonesty are not tolerated. All students are expected to cite resources in writing and research. Students are expected to do their own work which includes not cheating on exams and/or copying other students’ work and not using a computer translator/program (like Google Translate/AI/) to produce writing on class work, assignments, and assessments, especially in World Language classes. Failure to

School Rules: Student Rights and Responsibilities

Please refer to Seattle Public School Discipline Policy for detailed information can be found at the link here: Basic Rules of Seattle Public Schools.

Our Student Rights and Responsibilities sets forth the rules and regulations of Seattle Public Schools regarding student conduct. It was created in compliance with the requirements of state law and aligned with the Seattle Public Schools Strategic Plan. It references sections of the Washington Administrative Code (WAC) that govern use of corrective responses (i.e., discipline, suspension, and expulsion) for any student by a school district.

The foundation of Seattle Public Schools’ discipline policy is one of prevention, by establishing a safe and welcoming environment that includes shared behavioral expectations and a common language for talking about expected behavior that is inclusive of students, families, teachers, administrators, volunteers, and other staff (within a Positive Behavioral Interventions and Supports (PBIS) framework). Discipline procedures and strategies aim to maximize instructional time and reduce out of school consequences for behavior. This document applies to all students and is designed to apply to all students and is designed to educate all members of the educational community as to the rules, regulations, and due process procedures. We encourage families to review the Student Rights & Responsibilities with their student. It describes our expectations at school as well as what students can expect from adults at school.

**Cell Phones, Electronic, and Personal Items**

In general, all electronics – including cell phones - need to be turned on silent and are best out of sight. Cell phones can be used for educational purposes only with prior permission from the teacher.

**Classroom Cell Phone Use**

We are implementing a color-coded system to help students clearly understand when it is ok to use cell phones in class and for what purposes. At all times, follow school rules, being respectful of your teacher and classmates is required. The color coding works like a stop-light:

- **Red:** No Cell Phones. Cell Phone/Device needs to be put away and in silent mode.
- **Yellow:** Teacher Directed Use. Cell Phone/Device to be used as per teacher directions. Focused on using as a resource or tool to complete task in class.
- **Green:** Free Choice. Cell Phone/Device can be used, as long as, you are following school rules being respectful of those around you.

**Violations may include the following:**

1. Warning
2. Phone is removed from learning environment
3. Communication with family and admin
4. Admin intervenes if problem persists.

**Emergencies pertaining to cell phones**

- Students, if you have an emergency and need to contact your parent(s)/family, please let your teacher know immediately. There is a phone available in the main office for students to use.
- Families, out of consideration of instructional time, other students, and staff members, please do not call, FaceTime, Zoom, Livestream or the like during the school day with your student during class time.
- Families, if you need to speak with your student, please feel free to call the main office at 206-252-8800 and a staff member will let them know.
- We strongly suggest that students do not bring ear pods and personal items of value to school.

West Seattle High School staff and administration are not liable for any lost, missing, stolen, and/or misplaced cell phones, ear pods, or any other electronics or personal items.

Lost and Found

Lost items of value can be found in the Main Office or with security if they have been turned into them or found by a staff member. Clothing, shoes, and other items can be found in the Activity Center. If you can't find something you KNOW you had when you came to school, check with one of the secretaries in the main office to see if it’s in the lost and found or check with security. Conversely, if you find something that isn’t yours, turn it in to the main office or security.

Dress Code

The WSHS/SPS Dress Code is outlined Seattle Public Schools Board Policy 3224. It is the policy of the Seattle School Board that the student and their parent/guardian hold the primary responsibility in determining the student's personal attire, hairstyle, jewelry, and personal items (e.g. backpacks, book bags). Schools are responsible for assuring that student attire, hairstyle, jewelry, and personal items do not interfere with the health or safety of any student and do not contribute to a hostile or intimidating environment for any student.

Core Values

In relation to student dress, the district’s core values are the following:

- Students should be able to dress and style their hair for school in a manner that expresses their individuality without fear of unnecessary discipline or body shaming;
- Students have the right to be treated equitably. Dress code enforcement will not create disparities, reinforce or increase marginalization of any group, nor will it be more strictly enforced against students because of racial identity, ethnicity, gender identity, gender expression, gender nonconformity, sexual orientation, cultural or religious identity, household income, body size/type, or body maturity;
- Students and staff are responsible for managing their personal distractions; and
- Students should not face unnecessary barriers to school attendance.

Universal Dress Code

Students must wear:

- Top (shirt, blouse, sweater, sweatshirt, tank, etc.);
- Bottom (pants, shorts, skirt, dress, etc.); and
- Footwear.

This policy permits additional student attire requirements when necessary to ensure safety in certain academic settings (e.g. physical activity, science or CTE courses). Additionally, this policy allows for reasonable variation in required student attire for participation in activities such as swimming or gymnastics.

Students may not wear clothing, jewelry, or personal items that:

- Are pornographic, contain threats, or that promote illegal or violent conduct such as the unlawful use of weapons, drugs, alcohol, tobacco, or drug paraphernalia;
- Demonstrate hate group association/affiliation and/or use hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or other protected groups;
- Intentionally show private parts (nipples, genitals, buttocks). Clothing must cover...

private parts in opaque (not able to be seen-through) material;
• Cover the student’s face to the extent that the student is not identifiable (except clothing/headgear worn for a religious or medical purpose); or
• Demonstrate gang association/affiliation.

Attire worn in observance of a student’s religion are not subject to this policy. This policy permits schools with a uniform policy to continue having a uniform policy provided that it is gender neutral and inclusive of attire worn for a religious reason.

Enforcement

Principals are required to ensure that all staff are aware of and understand the guidelines of this policy.

Staff will use reasonable efforts to avoid dress-coding students in front of other students.

Students shall not be disciplined or removed from class as a consequence for wearing attire in violation of this policy unless the attire creates a substantial disruption to the educational environment, poses a hazard to the health or safety of others, or factors into a student behavior rule violation such as malicious harassment or the prohibition on harassment, intimidation, and bullying. Further, no student shall be referred to as “a distraction” due to their appearance or attire.

Typical consequences for a violation of this policy include parent/guardian contact or conference and the directive to cover, change, or remove the noncomplying attire. A student may be instructed to leave their classroom briefly to change clothes. The Principal or their designee should notify a student’s parent/guardian of the school’s response to violations of the student dress policy.

The Superintendent or their designee is authorized to develop procedures in order to implement this policy if needed.

Adopted: July 2019

Harassment, Intimidation, and Bullying (HIB)

Seattle Public Schools is committed to a positive and productive education and work environment free from discrimination, including sexual harassment. Harassment, intimidation, and bullying are not acceptable behavior at WSHS.

In order to ensure respect and prevent harm, it is a violation of district policy for a student to be harassed, intimidated, or bullied by others in the school community, at school-sponsored events, or when such actions create a substantial disruption to the educational process. The school community includes all students, school employees, School Board members, contractors, volunteers, families, patrons, and other visitors. No student within the school community will be harassed because of their race, creed, color, religion, ancestry, national origin, age, economic status, gender, sexual orientation including gender expression or identity, pregnancy status, marital status, physical appearance, the presence of any sensory, mental or physical disability, honorably discharged veteran or military status, or the use of a trained dog guide or service animal by a person with a disability, or other distinguishing characteristics.

Any school staff who observes, overhears, or otherwise witnesses harassment, intimidation, or bullying, or to whom such actions have been reported, must take prompt and appropriate action to stop the harassment and to prevent its reoccurrence.

What to do if you Experience Harassment, Intimidation, and Bullying (HIB)

The most important thing to remember is that harassment is not acceptable and must be stopped. However, you don’t need to try to stop it on your own. We, as a staff, are here to help.

- Please report it immediately to any staff member or security.
- Staff MUST then inform the Administrative Team.
- You may also report it directly to any building administrator.

Seattle Public Schools Policy 3207 details the prohibition against harassment, intimidation, and bullying.

Superintendent Procedure 3207SP describes the procedures the district uses when addressing allegations that a student may be experiencing harassment, intimidation, or bullying.

Reports can be made in person or over the phone to any staff member or security. They can be made in writing via email, Teams Chat, etc. They can also be made in writing using the Harassment, Intimidation and Bullying (HIB) Incident Reporting Form (see links below). While you do not need to use the HIB Incident Reporting Form to make a report, many students find using the form a helpful way to be sure they are providing all necessary information. If you use the HIB Incident Reporting Form, please remember that you should provide a copy to the school principal AND to the District’s Compliance Officer (via email at oscr@seattleschools.org, or mail at Office of Student Civil Rights, Mail Stop 33-157, P.O. Box 34165, Seattle, WA 98124).

Title IX: Sexual Assault and Sexual Harassment

WARNING: This section contains information on sexual assault, harassment, and rape. Read the SPS policy and procedure on sexual assault and sexual harassment.

The district prohibits sexual assault and harassment of students, employees and others involved in school district activities. If you have been sexually assaulted or sexually harassed, we are here to support you. Please let us know by reaching out to a trusted administration or staff member for support. Staff and administration will respect and honor whomever you are comfortable with confiding in.

*Teachers and school staff are mandatory reporters, meaning if you tell them you have been assaulted, they are required to report it. When you report a sexual assault your report first goes to building administration. Then building administration calls the district Title IX office who reports to CPS or SPD (Seattle police). After a report to SPD, SPD will attempt to contact you; they may come to campus or will attempt to contact you at home. You can choose whether you want to speak to the police – if you do choose to speak to the police and they come to speak with you on campus, a trusted staff member can support you in speaking to the police by being present in your meeting.

Retaliation is Prohibited

Retaliation against any person who makes or is a witness in a sexual harassment complaint is prohibited and will result in appropriate discipline. West Seattle High School will take appropriate actions to protect involved persons from retaliation.

What is consent?

Consent is a verbal and affirmative agreement between participants of all actions that overlap with bodily autonomy. These actions include but are not limited to agreeing to touch, hold hands, hug, kiss, and engage in sexual intercourse. Any sexual activity without consent is considered sexual assault.

Consent is FRIES...

Freely given without manipulation, pressure, or under the influence of drugs or alcohol
Reversible (One can change their mind anytime on what they consent to do)
Informed (One is aware of what they are consenting to do)
Enthusiastic (All parties in the action are visibly and vocally interested)
Specifically given for each act

If you need support outside of school hours, contact King County 24-hour crisis line at 206-461-3222. Free crisis counselling, 24/7, Text HOME to 741741
Age of consent in Washington State:

The age of consent is Washington state is 16 years old. This means that once an individual is 16, they can legally consent to sexual activity with an adult who is 18 years or older unless there is an unequal power dynamic. If there is an unequal power dynamic, there is not consent. (Ex: There is not consent between a teacher and student, foster parent and foster child, employer and employee, large age differences, or if an individual has cognitive delays) RCW 9A.44.010.

If someone is not 16, Washington state law states that sex, even when teens may think they’re consenting, the State considers the listed instances illegal if:

- The younger person is under 12, and the older person is more than 24 months older (RCW 9A.44.073)
- The younger person is 12 or 13, and the older person is more than 36 months older (RCW 9A.44.076)
- The younger person is 14 or 15, and the older person is more than 48 months older (RCW 9A.44.079)

What is sexual assault and sexual harassment?

Sexual Assault Sexual assault is any unwanted, non-consensual sexual contact of an individual. It can be by force (against a person's will) or when a person cannot give consent (under the age of consent, intoxicated, developmentally disabled, mentally/physically unable to consent, etc.). It can happen to anyone regardless of race, gender, age, and sexuality.

Sexual Harassment Sexual harassment is unwelcome behavior or communication that is sexual in nature when:

- A student or employee is led to believe that they must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision
- The conduct substantially interferes with a student's educational performance or creates an intimidating or hostile educational or employment environment.

Sexual harassment can happen to anyone regardless of race, gender, age, and sexuality.

This conduct may take many forms, including:

- Making unwelcome, offensive or inappropriate sexually suggestive comments,
- Gestures or jokes
- Standing too close,
- Inappropriate touching
- Cornering, or stalking a person.
- Sending unwanted pictures that are sexual in nature; or
- Displaying offensive or inappropriate sexual illustrations on school property.

Again, if you feel comfortable, please let a trusted staff member or administration know if you have been sexually harassed or sexually assaulted. Read the SPS policy and procedure on sexual assault and sexual harassment. Please also see the bottom of this section for contact information of outside resources.
False Allegations

Please know that administration and staff take reports of sexual harassment and sexual assault very seriously. We want to provide a supportive environment for all of our students and will take appropriate next steps when receiving reports. Please also know that for false allegations, it is a violation of this the District’s policy on Sexual Assault and Sexual Harassment to knowingly report false allegations of sexual harassment or sexual assault. Persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline. If you believe that someone has made a false allegation against you, please let a trusted staff member or administration know.
