

Partner PE Application 2023-2024

The Partner PE program provides an opportunity for students to be partners and supports for students with disabilities in their modified physical education class. The class offerings could include team sports, individual sports, and exercises. Principles taught in this class will follow the physical education core curriculum and enhance teaching and learning skills for students. Typically developing peers receive an equivalent PE credit meeting their yearly requirement.

Adapted PE

Provides students with disabilities access to physical education through carefully designed and implemented lessons.

- Instruction
- Equipment
- Environment
- Rules

Student Partners

- Participate in class
- Model positive behaviors
- Parallel participation
- Inclusive actions:
 - Taking turns
 - Slowing the pace of activity
- Positive interactions
- Leadership in providing successful opportunities
 - Breaking down activities

See additional Peer Support ideas on the back!
