

Welcome to 2021-2022 freshman registration for Chief Sealth International High School! Use this form to help make your 9th grade class selections for next year. All 9th graders take Language Arts, Social Studies, Math and Science so these courses will be selected for you. *If you are also taking a full year of both Music and World Language, Health/PE will be postponed until 10th grade or may be taken as a Zero Period (if offered).* Otherwise, please select Health/PE along with a year-long option or 2 semester-long options. This completed form can then help guide your **Online Course Selection** process (see Chief Sealth's website).
