

Cleveland Graduation Requirements Overview

24 credits are required for graduation. The credit requirements are minimums both in terms of total credits required for graduation and for credits in the various subject areas. SPS graduation requirements meet most college entrance requirements (CADRS) for WA State schools. Some colleges may require additional courses. At Cleveland students will earn more credits and can potentially meet the Career & Technical Education (CTE) through a STEM (CTE) Pathway.

To check your credit status, you can login to The Source and look at your historical grades. Or you can request a transcript from our Registrar Ms. Tagupa at Katagupa@seattleschools.org. The district course number/ code will give you a description of what code each class is coded.

Graduation Pathway

Students must complete at least one Graduation Pathway but are encouraged to complete as many as to align with their career and additional goals. At Cleveland students can meet this pathway by taking their STEM (CTE) pathway. The three graduation pathways are 1) English Language Arts (ELA) + Math, 2) Career & Technical (CTE) for two full years and 3) Armed Services Vocational Aptitude Battery (ASVAB). Check out this link for the specifics: <https://www.seattleschools.org/wp-content/uploads/2023/01/Intro-HS-Course-Registration-English-ADA.pdf>.

High School and Beyond Planning

Finding a career isn't a destination; it is a journey. This journey depends on skills that will help you navigate life and make informed decisions as you build academic and life skills. The High School and Beyond Plan (HSBP) at Cleveland starts with every student's schedule designed to meet graduation requirements along with opportunities to meet most college entrance requirements (CADR)/ Dual Credit Opportunities for High School and College Credits, check out this website for more info: <https://www.seattleschools.org/departments/high-school-college-career/>. Students will also use post high school planning tools in Naviance to help them create their HSBP.
