Daniel Bagley Elementary School

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

Family calendar for the 2025-2026 school year, including whole school and PTA sponsored events.

Notes about our calendar:

- Ethnic Studies Topics: Monthly based on the SPS curriculum.
- Social Justice Topic: Monthly based on the BLM Year of Purpose and National months of heritage.
- *Every Wednesday except the first day of school is an early release day. Pick up is at 1:10 p.m.
- Shaded dates are district-set
- Grade level chairs: At Bagley a grade level 'hosts' an event, meaning that all grade levels can take a turn with volunteer sign ups and event organization. We have PTA members that will be a wealth of knowledge with navigating the lead and signups for each event. We want to ensure that families from all grade levels still have the opportunity to volunteer for each event, but would like to rotate the chair people by grade level.
