Ingraham Running Start Agreement Form

By submitting an SPS Memorandum of Understanding (MOU) for Fall Quarter Running Start, you are indicating your intent to enroll at a local community college. With your MOU, Ingraham will cancel any Fall course requests for Ingraham High School and put Running Start placeholders on your schedule. If you intend to take both Ingraham classes AND running start classes, you must turn in this form with the Ingraham course requests below.

After you register for classes at the college, please provide your counselor with a copy of your Running Start schedule as soon as possible- we close the last day of school.

If you do not turn in this agreement form with Ingraham course requests, we will drop you from all Ingraham classes. You will not be able to register for Ingraham classes until September. Class availability is limited at this time.
