IB EXAM 2026 Calendar

AM Exams start at 9am, PM Exams start at 1pm. End time varies; all morning exams are done by 12:30, all afternoon exams are done by 4:30.

There are no make-up exams. IB does not reschedule exams unless “there is a circumstance of extreme nature that threatens the safety of candidates and/or teachers (for example civil unrest, natural disaster).” The IB does not reschedule exams for personal reasons such as family trips, college visits, sporting events or other competitions at the school/district/state/national level. If you miss the exam for any reason, you are not able to retake it and your score for that testing component will be a zero.
