IB EXAM 2027 Calendar

Notes:

- **SportsExHSci SL** is Sports, Exercise, Health Science (often called Sports Med)
- There are no conflicts between our **IB schedule and AP schedule** this year! All AP questions should go to Jen Luthe.
- **There are no make-up exams.** IB does not reschedule exams unless “there is a circumstance of extreme nature that threatens the safety of candidates and/or teachers (for example civil unrest, natural disaster).” The IB does not reschedule exams for personal reasons such as family trips, college visits, sporting events or other competitions at the school/district/state/national level. If you miss the exam for any reason, you are not able to retake it and your score for that testing component will be a zero.
- Requests for testing at a different school site (to accommodate a sporting event, for example) need to be submitted to IB by the coordinator before April 30, and are not guaranteed to be approved.
- **11th graders in IB History or IB Literature** are not eligible for the HL History or HL Lit exam until the second year of the course.
- **If you plan to take the HL exam next year, you do not need to register for the SL exam this year,** unless you have been told by your teacher or Ms. Peck that you need to do so.
- **Contact Laura Turner (laturner@seattleschools.org) with any questions.**
