Japanese Kindergarten School Supply List

Below you can find a list of school supplies that your child will be using in our classroom this school year. While we understand that getting school supplies can be very exciting and that students may want to get fun and decorative supplies, this can often lead to conflicts. To avoid as much disruption as we can, we are listing our preferred supplies below. All of these supplies will be used by the whole classroom community, so please do not label any supplies with your child's name before bringing them to school.
