

Class of 2024 High School Registration

Nathan Hale High School

Registration timeline & steps

A brief introduction to graduation requirements

How to read the course catalog

How to fill out your Course Option Sheet

How to complete the online course request

Today you will
learn:

Registration Timeline

April-May 22nd

The online registration portal will be open during this window

What are graduation
requirements?

Graduation Planning

Students use tools like the graduation check sheet and Naviance to track their graduation requirements and plan their course of study.

Washington State History

Washington State History is a High School graduation requirement typically taken in Middle School.

You do not receive high school credit, however meeting the requirement will show on your transcript.

This is automatically added to your transcript ONLY if you completed WA State History in Seattle Public Schools.

Students who did not take WA State History in Middle School should see their high school counselor about the way to meet this requirement.

Core Classes

Language Arts: 4 years

Social Studies: 4 years

Math: 3 years (minimum)

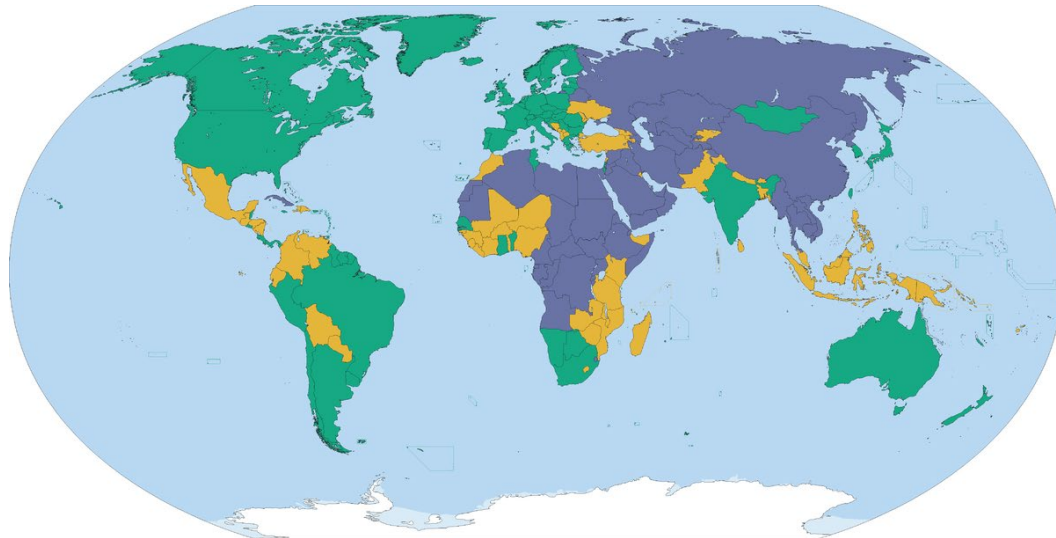

Science: 3 years (minimum)

English 4 credits	LA 9A	LA 10A	AP LA 11A	AP LA 12A
	LA 9B	LA 10B	AP LA 11B	AP LA 12B
Social Studies 4 credits	WH 1	WH 3	US 11A	Am Gov't
	WH 2	WH 4	US 11B	Econ
Math* 3 credits	Year 1	Year 2	Year 3	Year 4
	Year 1	Year 2	Year 3	<i>4th year required for college prep/admissions</i>
Science 3 credits	Physics A	Biology	Year 3	Year 4
	Chemistry A	Biology	Year 3	<i>Check college admissions requirements for science</i>

World Language

Class of 2024 must have a Personalized Pathway which may be met by taking World Language!

- Most 4 year colleges require 2-3 credits of World Language.
- Are you fluent in more than one language? You can take the STAMP test through Seattle Public Schools and earn up to 4 high school credits in World Language. The STAMP test is free for all students. See your counselor for more information!

Health & PE

Health & Personal Choices

- Family Health taken in the 9th Grade Academy in the Fall meets the Health graduation requirement.
- Personal Choices taken in the 9th Grade Academy in the Spring meets one of the two CTE graduation requirements.

PE

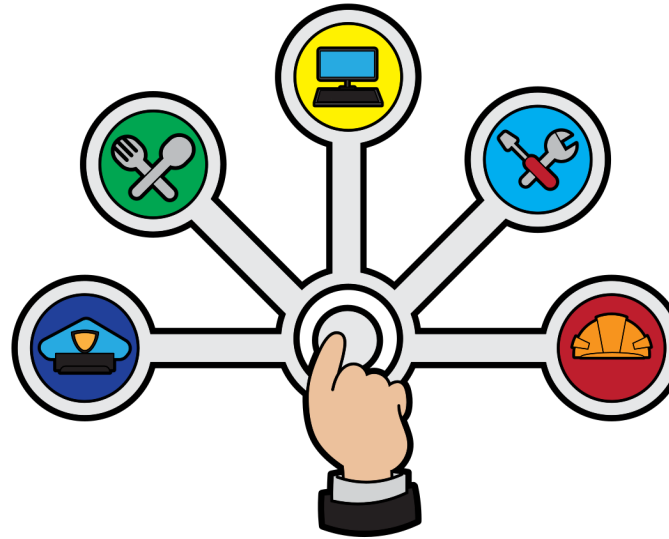

- Required to Graduate: 1.5 credits
- You may waive 0.5 credit of PE by playing a sport at Nathan Hale. You may only turn in one PE sports waiver per year (maximum 2 PE sports waivers may be used).

CTE

Career & Technical Education

- Class of 2024 must have 1.0 credits of CTE in order to graduate.
- CTE graduation requirements are met by 9th Grade Personal Choices and 10th Grade Career Essentials.

Art

- Class of 2024 must have 2.0 credits of Art in order to graduate OR a Personalized Pathway and 1.0 credit of Art.
- *University of California schools require 2 classes (1.0 credit) in the same type of art. Ex: Ceramics and Advanced Ceramics*

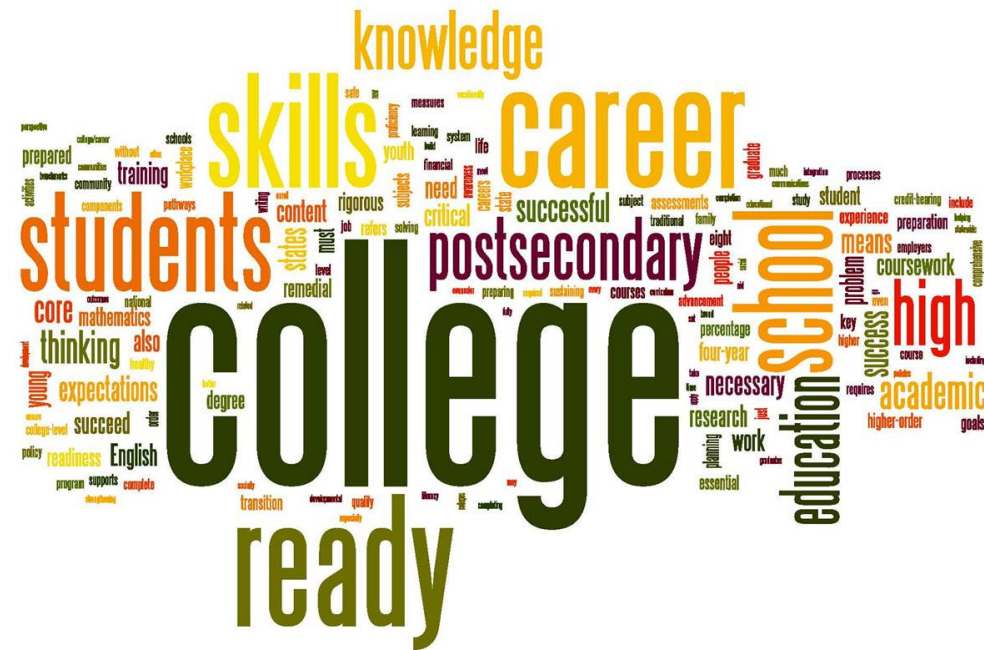

Personalized Pathway

- A pathway is a series of classes you choose that relate to your college and career plans. Pathways are not prescribed-you get to choose!
- Your Pathway classes are your opportunity to plan for after high school!
- World Language may be part of your Pathway if you plan on applying to a 4 year college

Things to Consider

This section contains information that may not be relevant until later in high school, but may answer some questions you have about

Preparing for College

If you plan to attend a 4 year college after high school, there are additional requirements you must meet for college admissions.

- **Considerations for college admissions:**
 - Senior year Math-based quantitative course
 - Science (do you need an additional lab-based science or math-based science?)
 - 2-4 years of World Language
 - UC schools require 2 courses of Art in the same discipline.
- *If you are unsure of what may be required for college admissions, begin researching schools that interest you and check out their admissions requirements online.*
- College readiness means making balanced life choices. Take all of your commitments into consideration when making selections for rigorous courses. Colleges are looking at the whole student when making admissions decisions.

Balance

College readiness means making balanced life choices. Take all of your commitments into consideration when making selections for rigorous courses. Colleges are looking at the whole student when making admissions decisions.

Middle School Classes

- A plan is being developed for high school credits taken in middle school to be added to high school transcripts for class of 2024 and beyond.
- This will be a different process than in previous years.

AP

Advanced Placement

- Advanced Placement (AP) classes are college-level coursework taken in high school typically in Junior and Senior year. If you choose to take the AP Exam you may be able to earn college credit or place into a higher level college course.
- Each college determines how they treat AP Exam scores, but all colleges recognize that taking AP classes means you are learning skills to be ready for college.

Honors

You may elect to take eligible courses as an Honors courses by speaking with your teacher at the beginning of each semester or year. You will have additional requirements to complete in order to receive Honors credit on your transcript.

Nathan Hale does not teach separate Honors courses.

There is no option to request Honors courses during Registration.

You may elect to take an eligible course as a College in the High School course typically in Junior or Senior year.

You will enroll as a college student and earn college credit while taking a class at Hale!

There is a fee for tuition to take advantage of this opportunity.

College in the High School

Running Start

- Running Start is a program for High School Juniors and Seniors to take college classes at Washington two year colleges and earn high school and college credit at the same time.
- Interested students and families attend informational session in the Spring of their Sophomore year to begin planning for Running Start.

Skills Center

- The Seattle Skills Center is a free program in Seattle Public Schools that prepares students for careers, college, and life. Examples of programs are Nursing, Aerospace Tech, Maritime, Firefighting, Video Game Animation and more!
- Please see the Seattle Public Schools Skills Center website for Summer Courses that you may apply for online now! You will earn High School credit for work you do this summer in Skills Center classes.
- Apply online for the Skills Center Summer programs at:
<https://skillscenter.seattleschools.org>

Seattle Skills Center

Pathways to college, career, and life

Support Classes

If you have an IEP or are an ELL student your support classes will be added by your teacher. You also have the option to add them online when you request classes.

Other support classes (such as a math lab) may be recommended by a current teacher, your school counselor, or a parent.

Review Course Catalog

[Link to Course Catalog](#)

Nathan Hale High School Course Guide 2020-2021

“The purpose of Nathan Hale High School is to ensure that ALL students will become honorable, thinking, skillful global citizens.”

Prerequisites

Some classes are advanced and require that you have taken an introductory class in order to be successful.

Advanced Ceramics

9-12, Semester

1 period, ½ credit

Type of credit: Arts or Occ. Ed.

Fee: \$40

Prerequisite: Ceramics

Pre-Calculus 1 and 2

Yearlong

1 period, ½ credit per semester

Type of credit: Mathematics

Prerequisites: Successful completion of Algebra 2 or equivalent.

*Honors designation is available

Grade Level Requirement

Some classes are only available to students in a specific grade level

Independent Living: Preparing Students for Life

11-12: Semester

1 period, ½ credit

Type of credit: Occ. Ed. or Health

Prerequisites: Academy Health courses or equivalent

Graphic Arts 1

9-12: Semester

1 period, 1/2 credit

Type of credit: Career and Technical Education

Prerequisites: None

Type of Credit

The course catalog will tell you the type of credit you will earn for taking each class.

Environmental Horticulture I

10, 11, 12 –Semester

1 period, ½ credit per semester

Type of credit: CTE or Science

Prerequisite: None

Photo Media (IT Multimedia 1)

10-12- Semester

1 period, 1/2 credit

Type of credit: Career and Technical Education or Fine Art

Prerequisites: None

Theatre 1

9-12-Semester

1 period, ½ credit

Type of credit: Arts

Prerequisite: None

What Else?

- **Microsoft Imagine Academy Mentorship: HUE3113**
- *Students who choose this option will leave their current mentorship for a different Mentorship that will focus on the Microsoft Imagine Academy Certifications of:*
 - Microsoft Office Word
 - Microsoft Office Excel
 - Microsoft Office PowerPoint
- **Zero Period:**
 - Jazz Band
 - Vocal Jazz
 - Robotics
 - Advanced Radio

Check the Course Catalog for more details!

Fill Out Paper Course Selection Sheet

NHHS 2019-20 Course Option Sheet 9th Grade

Name: _____ ID#: _____ Class of 2023

Middle School: _____ Phone Number: _____

You will notice on your option sheets that some decisions have already been made for you depending on your grade level. We schedule on a yearlong basis to ensure that you will be on track to successfully graduate from Nathan Hale with a rigorous, relevant educational experience. When you choose a course you are signaling not only your interest but also your commitment to complete that course to the best of your ability.

1. See reverse side for math selection directions.
2. Select two elective classes for each semester. Any electives you choose will satisfy graduations requirements.
3. Choose four alternate classes, as this increases your chances of getting a full schedule with the classes of your choosing. These need to be four different courses, not your first choices rearranged.
4. The way courses are listed below does not necessarily indicate the order or semester of courses.
5. NHHS Course Catalog is on-line at <http://halehs.seattleschools.org/services/forms>
6. Not all courses in the Course Catalog are offered each semester. The number of students who select that course, teacher availability, and budget constraints determine courses offered during the year.

Completed and signed forms are to be returned with your student on the day our counselors visit your student's middle school. Forms may also be dropped off at Nathan Hale counseling office or mailed to Nathan Hale.

1st Semester

* Please see Prerequisites in Online Course Catalog

** Teacher signature required

A: Meets Arts requirement

C: Meets Career and Technical Education requirement

If the student completes 3 to 4 years of NON-CTE courses the student will need to work with their counselor to fulfill the CTE Requirement
Refer to online Course Catalog for course descriptions at <http://halehs.seattleschools.org/services/forms>

Math

Select the next math class from the sequence.

If you took 8th grade math, select Algebra 1.

Typical math sequence:

- Algebra 1
- Geometry
- Algebra 2 or Financial Algebra

4th Year and beyond options:

- Pre-Calculus
- AP Calculus
- AP Statistics

World Language

**Will meet the Personalized
Pathway graduation requirement!**

Hale offers: Spanish, French, and
Japanese

If you speak another language, you can earn up to 4 high school credits by taking the World Language test! These will satisfy the Personalized Pathway requirement and college entrance requirement.

4 Year Colleges typically require:

Minimum 2 years of World Language in
the same language
Some colleges require 3

You should always check the admissions requirements for the colleges that interest you!

Alternate Choices

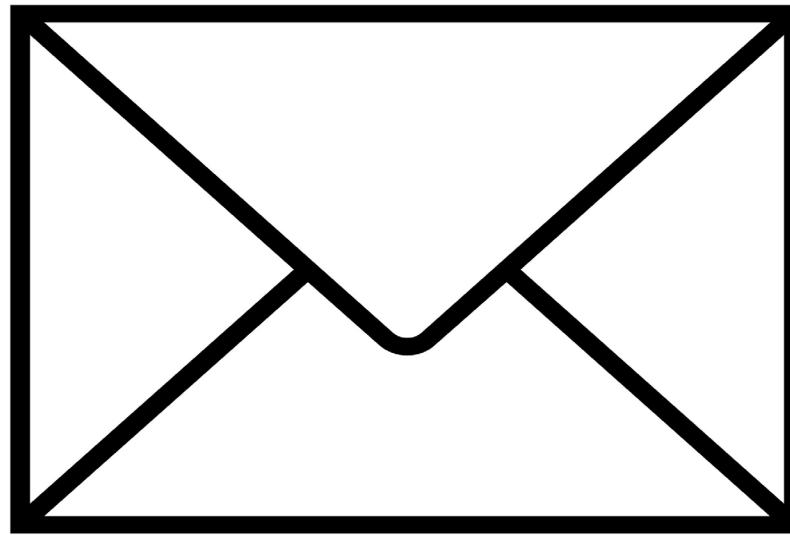

- **You must pick 4 alternate elective choices!**
- This increases your chances of getting a class that interests you. Do NOT pick your first choice again as an alternate. This does not make it more likely to get that class.
- If you don't pick alternates, our Registrar will pick for you!

My Alternate Choices:

Code	Course Name	Signature (only if required)

Mail it in!

Please mail your completed paper course selection sheet using the enclosed envelope you will receive in the mail!

Request Courses Online

The online course request
window will be open
through May 22nd

How to Request a Course

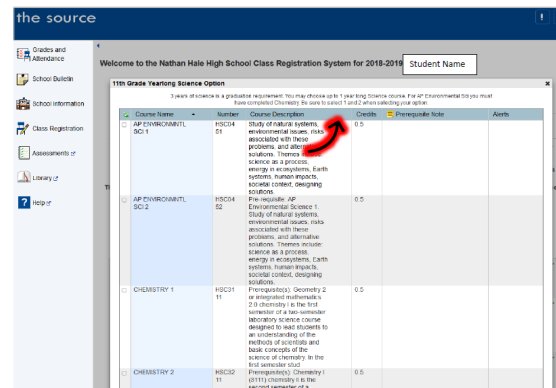

1

Click on the “pencil” to view the course options for each section

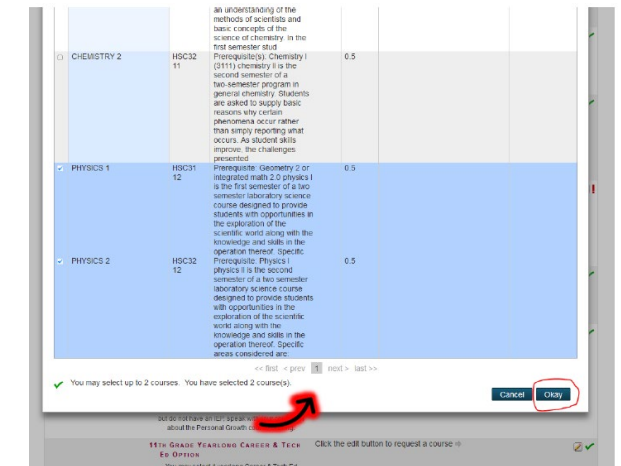

2

Carefully read the directions on top of the option screen

3

Click on the bottom of the screen to view more course options

4

Select your option by clicking anywhere in the course box (the box will turn blue). You can remove a selection by clicking the box again. After the options have been selected click “Okay”.

Click the edit button to request a course

Alternates

- After selecting first choice requests be sure to select a different alternate in case your first choice is not available.
- Do not choose your first choice again. This does NOT increase chances of receiving a course.
- If alternates are not chosen, the chances of being in a course of your choice will be lowered.

The screenshot displays a web interface for selecting alternate courses. It features three distinct sections, each with a title, a paragraph of instructions, and an 'edit' button. The first section is for 'ALTERNATE CAREER & TECH ED (SEMESTER-LONG)', the second for 'ALTERNATE ARTS (YEAR-LONG)', and the third for 'ALTERNATE SCIENCE (SEMESTER-LONG)'. Each section also includes a green checkmark icon in the top right corner.

Alternate Category	Instructions	Action
ALTERNATE CAREER & TECH ED (SEMESTER-LONG)	You may select up to 4 Semester Long Career & Tech Ed Alternates. Do NOT choose a course already previously selected. Alternate selections are back up classes in case you don't get your first choice option. Check prerequisites in the NHHS online course catalog before making your selection.	Click the edit button to request a course ⇒
ALTERNATE ARTS (YEAR-LONG)	You may select 1 Yearlong Arts Alternate elective, do NOT choose a course previously selected. Alternate selections are back up classes in case you don't get your first choice option. Check prerequisites in the NHHS online course catalog before making your selection.	Click the edit button to request a course ⇒
ALTERNATE SCIENCE (SEMESTER-LONG)	You may choose two alternates, do not choose options previously selected.	Click the edit button to request a course ⇒

**The registrar will pick alternates for you if none are selected!
Alternates are found towards the bottom of the screen.**

Submit

Once you have completed selecting your course options, click "Submit" on the bottom right of the page.

If there are no errors, the next screen will show your list of course requests.

making your selection.

11TH GRADE YEARLONG CAREER & TECH Ed. ALTERNATE Click the edit button to request a course =>  

Choose 1 Yearlong Career & Tech Ed. Alternate elective, do NOT choose a course previously selected. Alternate selections are back up classes in case you don't get your first choice option. Please see prerequisite in the online NHHS course catalog.

11TH GRADE PE ALTERNATE Click the edit button to request a course =>  

You may select 2 PE alternates, do NOT pick an alternate previously selected. Alternate selections are back up classes in case you don't get your first choice option.

Requires between 6 and 9 credit hours.
Requesting 8 credit hours.
