

# Course Option Sheet for Seniors

## 2023-2024 School Year

Seattle Public Schools is committed to making its online information accessible and usable to all people, regardless of ability or technology. Meeting web accessibility guidelines and standards is an ongoing process that we are consistently working to improve.

While Seattle Public Schools endeavors to only post documents optimized for accessibility, due to the nature and complexity of some documents, an accessible version of the document may not be available. In these limited circumstances, the District will provide equally effective alternate access.

# NHHS 2023-24 Course Option Sheet for **SENIORS**

Name: \_\_\_\_\_ ID#: \_\_\_\_\_ Class of 2024

Mentorship Teacher: \_\_\_\_\_ Phone Number: \_\_\_\_\_

**Welcome to 23/24 Registration for your Senior year! You will use this form to enter your choices for next year. After it is completed you will use it to enter your choices online. Please keep for your records in case there are errors so you can share with your counselor if necessary.**

1. Review your [Academic History and Current Schedule](#) before you select your courses for next year.
2. Select elective classes for each semester to fill in the form. (Next page lists math, science, and elective courses.)
3. Choose four alternate classes, as this increases your chances of getting a full schedule of classes. These need to be **four different courses**, not your first choices rearranged.
4. NHHS Course Catalog is online to check descriptions and pre-requisites: <https://halehs.seattleschools.org/resources/forms/>

You will notice on your option sheet that some decisions have already been made for you based on your grade level. We schedule on a yearlong basis to ensure students are on track to graduate from Nathan Hale with a rigorous, relevant educational experience. Therefore, the choices you make are CRITICAL not only to your learning, but to the development of our master schedule and course offerings. When you choose a course, you are signaling your interest, and also your commitment to complete that course to the best of your ability.

IEP and ELL students please note: Your IEP or ELL teacher will work with your counselor to make sure you are in the right support classes.
