We build our school schedule based on student course selections. The courses you register for (first choices, as well as alternates) will determine the schedule you will receive for the 2025-2026 school year. Please choose thoughtfully and carefully, as you will NOT be allowed to change or drop courses in the fall. Keep in mind courses need a certain number of requests in order to be offered. Not enough requests for a certain course could mean we aren't able to offer it in the 2025-2026 school year.
