School-day SAT

Grade 11: March 3

AP & IB

Grades 9 -12: May 3-14 (for students in these courses)

Seattle Public Schools contracts with the College Board for the school-day PSAT and SAT only. The district-as a single entity-does not contract with the College Board for Saturday testing or with Pearson for ACT testing.

If a school chooses to serve as a test site and administer the Saturday SAT and/or the ACT, they are contracting with the College Board and Pearson independent of the district. For any issues concerning Saturday testing or rescheduling due to cancellations of SAT and/or ACT, please contact the coordinator at your student's school or the College Board and/or Pearson directly.

*The assessment calendar was developed in spring/early summer when there was an expectation that districts would be back to in-person instruction in the fall. A district-wide administration of district assessments is suspended while SPS is in a fully remote learning environment. Any changes and/or updates to state assessments will be made by OSPI and communicated out accordingly.
